ATTENTION!

Remember to complete your Income Survey for the Community Eligibility Provision (CEP). Your participation is essential in order for your school to receive critical state funding for education programs.

Please remember to complete and return your Household Income Survey!

Our school district is participating in a federal program as part of the National School Lunch and Breakfast Program called Community Eligibility Provision (CEP). This means that all students attending the Aberdeen School District are eligible to receive breakfast and lunch at no charge throughout the 2021-22 school year, regardless of family or household income.
