### **Message from True North: Parents' Night Out, October 5, 6-7 PM**

It's often challenging for adults to talk to kids about alcohol and drug use. *What do I say? What if I say the wrong thing? Will they even listen to me?* But as difficult as it is to have these conversations, we know that they are so important to our youth.

**Talk. They hear you!** True North, in partnership with the Substance Abuse and Mental Health Administration (SAMHSA) invites you to **Parent's Night Out**. This event will help parents, guardians, caregivers, and community members learn the skills to talk with youth about substance abuse. **Join us October 5, 2021 from 6-7pm** on Zoom.
