

The *Inspiration* Campaign

At McDermoth Elementary

Mrs. Fillo's resource students at McDermoth Elementary School are asking you and/or your business to inspire tomorrow's leaders with positive messages one quote at a time. You have an opportunity to plant a seed of compassion, tolerance, kindness, friendship and inspiration.

For just \$40, you can sponsor a bathroom door at McDermoth Elementary. Your sponsorship will provide one door decoration made from adhesive vinyl that will brighten the spirits of kids for years to come!

You will get a shout out on our website, social media, monthly newsletter and knowing you will inspire kids at an age when they need it most!

Yes! I want to inspire kids at McDermoth Elementary School!
