# Revising Cornell Notes

Step 3: Review and revise your notes on the right side  
using **CUBA?**

Directions: Use the **CUBA?** chart below to review and revise the notes you took on the right side of your Cornell Notes. Put a check on the left of the chart if you completed that step.

Put a check in the box if complete.		Symbol	Revision
	C	circle	Circle important vocabulary words.
	U	underline	Underline the purpose or main idea.
	B	box	Use a box to mark other important concepts and ideas.
	A	arrow	Draw arrows between ideas that connect or relate.
	?	question mark	Write a question mark next to ideas you find confusing.
