Student Rights and Responsibilities

Student Responsibilities: The Aberdeen School District's goal is to provide students the opportunity to learn skills, acquire knowledge, and develop attitudes that will allow them to function as responsible and contributing citizens.

Students have the Right to:

- Free and appropriate public education
- Safe environments -- free from harm, intolerance and discrimination
- Be treated with respect
- Think their own thoughts
- Regard their bodies as their own

However, remember that when students are in school, they are governed by in *loco parentis*, in other words while they are at school, teachers and administrators stand in as parents in a limited capacity as defined by the court.

Another limiting factor is that in order to provide a safe environment, conducive to education, some rights are abridged. Adults have freedom from unreasonable search and seizure, but minors do not at school. The school has the right to search a student and/or their belongings if the school believes they are acting in the best interest of the school community in providing a safe environment for all students. These searches include electronics owned by the school but not electronics owned by the student or family.

Children have the right to protection from abuse, neglect, exploitation and discrimination. If the school believes any of these rights have been violated or has substantive claims to believe so they must act to protect the child.

Students have the responsibility to:

- Attend all classes every day on time, ready to work and with the necessary learning materials.
- Respect the rights of others and exercise self-discipline.
- Withhold expressing personal prejudices against any individual or group.
- Behave in a manner that will not disrupt their own education or disrupt or deprive others of their education.
- Know and obey the rules of the district, schools, and co-curricular activities.
- Accept appropriate consequences for breaking school rules.
- Identify them by name if asked by any district staff member.
- Dress appropriately for school and school activities in a manner that neither disrupts the educational process nor threatens the health and safety of anyone.
- Respect the property of others, of the school, and the district.

Students may receive appropriate consequences if they fail to fulfill any of these responsibilities while at school, on the school grounds, on district-sponsored transportation, at any school-sponsored event, or in any other setting having a real and substantial relationship to the operation of the district. Disciplinary action may include oral or written reprimands, written notification to parents/guardians, detention, suspension, expulsion, losing the privilege of attending district-sponsored activities, loss of riding privileges on district-sponsored transportation, and loss of privileges to publicly represent the district.

Acceptable Use Policy -- The Aberdeen School District requires everyone that uses district owned electronics to read, understand, agree with and sign the school board adopted Acceptable Use Policy (AUP). This policy outlines the appropriate uses of technology, the network (including the internet), electronic resources and electronic network connected devices owned and operated by the Aberdeen School District. Failure to follow the guidelines in this policy either on purpose or accidentally can result in temporary or permanent removal from the network.

Administration -- Ms. Griebel, Principal and Ms. Hoehn, Assistant Principal, are available for any student during normal school hours usually by appointment.

After-School Activities -- If students are staying after school with a teacher, the after-school program, sports or other supervised activity, they must be at the location of the activity no later than 2:45 p.m. Students must arrange transportation immediately after the activity. If you are absent from school, you cannot attend after school activities without the permission of the administrator.

After-School Expectations -- When the bell rings at 2:30 p.m. students are expected to leave school grounds as soon as they have completed all his or her activities for the day. Students should not be on campus without supervision from a staff member. Students should board buses or walk their designated route home. Students must continue to follow directions from teachers and other staff until they are reunited with parents or guardians safely. The dates and times are subject to change according to grant and district requirements.

After School Program -- The afterschool program runs Monday -Thursday from 2:30-4:45. There is also a homework time from 7:15-7:50 Monday-Friday in the mornings at Miller. Check with the office for what room to meet in. The afterschool program offers snacks, homework help, field trips, friends and lots of fun free activities. We also offer transportation home after the program. You need to sign up if you want to ride the bus.

Alcohol -- By state law, schools are drug and weapon free zones. Any student who brings alcohol to school is subject to discipline as outlined by state law, which includes but is not limited to expulsion. Guardians will be asked to come to school for health and safety reasons and evaluate students that are determined to be under the influence or have reported drinking alcohol.

Appointments during school -- Because school attendance is so important, parents/guardians are encouraged to make appointments outside of the school day. If students must leave school for a legitimate reason, (see district attendance policy) bring a note from parent/guardian indicating the date, time and reason. Bring note for early dismissal to the office first thing in the morning. When leaving early, get an early dismissal slip from the office to present to the teacher of the class you will be leaving. When you are leaving, stop by the office and sign out. If you return to school the same day, check back in at the office and get a pass to class. You must report your absence within 48 hours or it will be counted as unexcused.

Assemblies -- Students are expected to behave in a respectful manner during student performances or assemblies. Walk with your teacher into the gym and sit in the designated area for your class. Listen and follow all directions given during the assembly. Wait for exit directions at the end of the assembly.

Attendance -- Students are expected to be at school every day. If you are absent, your parent/guardian must call or send a note to the attendance secretary at 538-2100. A message can be left on this phone. If you miss more than one day, you can request work be sent to the office, where a parent/guardian, sibling or friend can pick it up. Homework must be requested by 9:00 a.m. to be ready by 2:45 p.m. You have one school day for each day you are absent to make up your work.

If you need to prearrange an absence from school for a legitimate reason, your parents/guardians can fill out the pre-excused absence form. If you are absent and it was not prearranged, a parent must call or send a note to the office with you when you return to school. The note should include your first and last name, dates of absence, reason for absence, and parent/ guardian's signature. School district policy states that absences considered excused are for reasons of illness, emergency, medical appointments, bullying, or those prearranged by the parent/guardian. The school district shall determine if an absence is excused or not. All other absences may be considered unexcused if they do not meet the criteria above.

According to Washington State Law (RCW 28A.225), if you exceed five (5) unexcused absences in a month or ten (10)

unexcused absences in a year, a BECCA Petition will be filed with Juvenile Court of Grays Harbor County.

All absences must be excused within forty-eight (48) hours or they will be marked unexcused and count toward the unexcused total.

Further Information on the BECCA Law & Compulsory School Attendance

School/District Requirements

- After one unexcused absence in a month, the school is required to inform the parent in writing or by phone.
- After two unexcused absences, the school is required to initiate a parent conference to improve the student's attendance.
- After five unexcused absences in a month, the parent and school must enter a contract to improve the student's attendance. Or, the case can be referred to a Community Truancy Board.
- After seven unexcused absences in a month, or ten unexcused absences in an academic year, the school district may file truancy petitions with the juvenile court.
- If the student is not in compliance with a court order resulting from a truancy petition, the school is required to file a contempt motion.

School districts, through their elected school boards, typically adopt policies and procedures relative to these requirements that are coordinated with local juvenile courts. Guidelines for school board policies are developed through the Washington State School Directors' Association, wherein each board makes adjustments to these guidelines based on local priorities and resources.

Each of Washington's school districts addresses the definition of unexcused absences and interventions in a manner consistent with school board policies. Similarly, local juvenile courts address the petition process in a manner consistent with local county juvenile justice priorities and resources. As a result of these local variations, there are significant differences in how each community approaches and resolves the issue of truancy in Washington state.

Juvenile Court Requirements

- Petitions filed by school districts.
- Schedule hearings alleging truancy, and notify parents and student of the hearing, their options and rights, and may require their attendance.
- Grant petitions and assume jurisdiction for any period of time deemed necessary if the facts (by a preponderance of evidence) support the petition. Schedule hearings alleging non-compliance with court orders, requiring access to legal representation for the student. Parents may also request legal representation.

The court may order attendance at current school, alternative school, another public school, a skill center, drop-out prevention program, a private school or education center, referral to a Community Truancy Board, or completion of a drug assessment test. The court may order a student to report to county detention, impose alternatives to detention, or order parents to perform community service or pay a fine of up to \$25 per day for each unexcused absence, if the court rules that a student or parent violated the court order.

Backpacks, book bags, large purses -- Larger bags are not allowed in the classroom. Students may not carry backpacks during the day. Students are provided a locker to keep their personal items safe. Students may get items from their lockers during the day. PE bags should be stored in PE locker and can be dropped off before school and picked up after school until 2:45. During the construction delay, for this year only, backpack, book bag, and large purse exceptions may apply.

Before School -- At 7:15 a.m. Students may enter the student center. At 7:30 the gym and library are open for students. To go to a teacher's classroom, you must have a pass. Some mornings these areas may be closed for meetings. At 7:50 the hallway doors open for students to go to lockers and classrooms and check out Chromebooks. At 7:56 the bell rings and students have 4 minutes to be in class. During construction phases that maybe happening, time between classes will be reviewed and revised as needed.

Bell Schedules -- Miller Junior High uses several bell schedules throughout the year. We have a regular bell schedule and other bell schedules for early release days, weather delay, and district collaboration. The bell schedules are always available on our web site.

Bicycles/skateboards etc. -- Bikes should be locked at the bike rack in front of the school. Skateboards, wheelies, bikes, and rollerblades should not be used on school grounds for safety reasons. In accordance with city ordinance, students are required to wear a helmet when riding a bike or other wheeled device to school. Students who do not wear a helmet may be required to leave their wheeled device at school until they bring a helmet. The bike rack is off limits during the school day. Skateboards are to be stored in lockers or other appropriate locations during school hours.

Breakfast/Lunches -- Our school serves nutritious breakfasts and lunches as designated by the USDA school lunch program.

Breakfast is served every school day beginning at 7:20 a.m. in the student center and is available to all students.

Student use their four-digit Skyward ID number to access meals.

All students will be served breakfast and lunch free for the 2019-2020 school year.

Miller Junior High will never refuse food to late students. Students may be given breakfast to eat in their classroom rather than in the cafeteria so they do not miss out on instruction.

Adults will be charged for breakfast and lunch at the current rates except during years when students qualify for free and reduced breakfast and lunches.

Chromebooks -- Students should keep their Chromebook with them at all times and never leave it unattended. Fines will be mailed home for a lost Chromebook or for damages to the Chromebook assigned to the student. Do not peel anything off of the Chromebooks (exp. stickers), they are there for a purpose. Removing stickers or parts off Chromebooks will result in fines. Chromebooks must remain closed when transporting and/or transitioning.

Closed Campus -- Miller Junior High is a closed campus. Once a student arrives on campus, he or she may not leave school grounds without a parent or guardian's or administrator permission before the end of the school day. Leaving school grounds without permission is considered truancy and can result in appropriate disciplinary action.

Computer Usage -- Policy applies to all district electronic devices or devices used to transmit inappropriate material. Failure to use technology appropriately will result in appropriate disciplinary action. Prohibited activities include and are not limited to: sending/displaying and viewing offensive material, using obscene language, harassing, insulting or attacking others, and deleting another student's work. Specific guidelines apply to the use and treatment of Chromebooks. These actions could constitute Cyberbullying and are strictly enforced and prohibited by the Aberdeen School District.

Conferences -- Fall and winter conferences are by request only and students will meet with their advisory teacher and parents/guardians to set and share goals for the school year or students not conferencing at school will complete conferences at home with guardians. In the spring, students share best work, progress towards goals and current grades. Conferences between parents/guardians and teachers may be scheduled throughout the year to discuss academic concerns. These conferences may be set up by parents/guardians or teachers through the counseling center.

Contraband -- Inappropriate items such as magazines, trading cards, toys, and other items can be a distraction and should not come to school. Any item that causes disruption to the education process may be confiscated. Items will be returned to a parent/guardian when he/she comes in for a conference or to the student at the discretion of the school administrator. The school is not responsible for lost or stolen items. **If it doesn't belong at school, don't bring it to school.**

Counselors -- Miller counselors are Mrs. Trusty and Mr. Williams. In addition to their other duties, they are available to talk with students about issues both academic and personal. They are bound by professional conduct to keep these conversations private unless they have a concern for student, school or personal safety. Students can set up an appointment through the counseling secretary or talk to any staff member for help.

Emergency School Procedures

Fire

Fire drills are practiced regularly at school. In the event of a fire during school hours the all students and staff would exit the building.

Earthquake

Earthquake drills are practiced. Students would not be sent from the building until the shaking has stopped. A quick safety inspection would be conducted and a suitable safe spot selected to locate students until parents could sign them out. The reengagement most likely would be at the tsunami reengagement site.

Tsunami

Tsunami warnings usually allow for adequate time to dismiss students from school. In case of an emergency situation, students would walk to a rendezvous point. Parents would then be contacted to pick up students from that point.

Lockdown

Lockdowns are practiced regularly at school, including medical lockdowns for when EMTs transport a person (exp. someone with a broken leg). In case of an emergency situation that effects all families, parents would be contacted, informed, and provided additional information regarding the situation.

Dress Code -- Clothing can impact learning.

Any student who brings drugs to school is subject to discipline as outlined by state law, which includes but is not limited to expulsion. This additionally includes vape devices. Guardians will be asked to come to school for health and safety reasons and evaluate students that are determined to be

under the influence, have reported taking over the counter, or illegal drugs.

Electronics at School -- Miller Junior High cannot be responsible for lost or stolen personal items brought to school. **Students can bring a cell phone to school at your own risk.** Cell phones or personal electronics are allowed in the student center with supervision. Cell phones may not be used during class time without teacher/staff permission. The best place to keep a cell phone is with you silenced or turned off. Students who do not follow the ZONE rules and use their phones in locations other than the student center (cafeteria) may be subject to appropriate consequences. Students are not to record or take pictures of anyone, including adults, in the building without consent. Teachers or other staff members may approve cell phone use in their classroom. If approval is not granted, students will keep cell phones out of sight. First offence *teacher gives verbal warning; 2nd offence – teacher provides student with a paper bag to put phone in (some staff may ask that the student write their name on the bag) and the student keeps the phone in bag themselves for the remainder of the class. If the student continues to use the phone or does not put the phone away when asked, the teacher will call the office and the student and/or phone maybe removed; 3rd offence or 3rd level offence – office staff will keep phone until the end of the day and other consequences, including electronic loss and time out of class, after school detention, or ISS maybe implemented; 4th offence, cell phone parent will be contacted and parent/guardian must pick up phone from office or make special arrangements with the office and cell phone check-in check-out in office daily could be required.

they will be sent back to class.

Harassment, Intimidation and Bullying - The Aberdeen School District is committed to a safe and civil educational environment for all students, employees, volunteers, and patrons, free from harassment, intimidation, or bullying. "Harassment, intimidation, or bullying" means any intentional written, verbal, or physical act, including but not limited to one shown to be motivated by any characteristic in RCW 9A.36080(3), (race, color, religion, ancestry, national origin, gender, sexual orientation, or mental or physical disability), or other distinguishing characteristics, when the intentional written, verbal, or physical act:

Physically harms a student or damages the student's property; or
Has the effect of substantially interfering with a student's education; or
Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or
Has the effect of substantially disrupting the orderly operation of the school.

This policy is not intended to prohibit expression of religious, philosophical, or political views provided that the expression does not disrupt the educational environment. Other inappropriate behaviors that do not rise to the level of harassment, intimidation, or bullying may still be prohibited by other district policies or building, classroom, or program rules.

Depending upon the frequency and severity of the conduct, intervention, counseling, correction, discipline, and/or referral to law enforcement will be used to remediate the impact on the victim and the educational environment and change the behavior of the perpetrator. False reports or retaliation for harassment, intimidation, or bullying also constitute violations of this policy.

Health Issues -- If a student feels sick they should tell his or her teacher and get a pass to the office. When the student is at the office, they will use the Skyward log-in system prior to reporting to the nurse office. Please let the office secretary know that you are there to see the nurse. Under emergency situation, please fore-go the Skyward log-in and ask for immediate help from office staff.

Students cannot carry medications at school without proper permission. This includes both prescription and over-the-counter medication. Any medications must be checked in with the office and include either an Authorization for Administration of Oral Medication at School form or the Self Administration of Oral Medication form. Parents or guardians can call the counseling office during school hours and arrange this. A school nurse is available to assist with this. For continuing health issues, please notify the school nurse of medical issues.

Students that are injured during school need to complete an incident report. The student should report to the office for the documentation.

Homework -- Students are responsible for their own learning outside of school time, including studying for tests and quizzes, completing all assigned class work and completing all homework. Miller Junior High expects all students to read at least 1/2 hour every night in addition to assigned work from classes. A student who is absent for more than one day can request makeup work to complete at home. Teachers will respond to requests within twenty-four (24) hours after the request is made. Make up work can be picked up at the main office prior to 4:00 PM. Please call before 9:00 so arrangements and assignments can be sent to the office. Parents/guardians, siblings, or friends may pick up missing work. Student has one school day for each day absent to make up work. Contacting teachers concerning work missed for shorter absences is the responsibility of the student or parent/guardian.

Incident reporting -- Students should report any incident they believe effects his or her ability to learn in a safe environment to an adult. Upon receiving the report, the principal or assistant principal will review the incident and take any necessary actions to remedy the situation. If the incident involves harassment, intimidation, or bullying, a report will be filed with the principal or assistant principal and immediate action will be taken to protect anyone involved. If a student is not sure of an incident, they should report it and someone would work with them to resolve the situation. A student should report anything that makes them feel unsafe or uncomfortable at school.

- Students will be assigned to the LOR room by Mrs. Griebel, Mr. Douglass, Mrs. Hoehn, or administrator designee
- Electronic devices will be turned in to the person in charge of room
- Conversation will be strictly academic

- Students will be expected to engage in academic activity
- Misbehavior will be addressed adequately (example: think sheet)

Internet and District Network Usage

The school district network is provided for students to conduct research and receive instruction from the worldwide web. An Internet Acceptable Use Policy agreement is filled out when a student registers in the Aberdeen School District. This form is renewed as it is revised by the District or when the students transition to a new building.

Kitten Kloset -- The school store is known as the Kitten Kloset, It has been in operation for more than 30 years. Students operate the store as an ongoing ASB fundraiser. Students can purchase a variety of healthy snacks during lunch and often after school. Prices range from .50 cents to \$2.00. The items in the store should never replace lunch, but can supplement lunch for students who may need something more. Follow the expectations of the Kitten Kloset.

Language -- No offensive language is allowed at Miller Junior High School. Respect all staff, students, and visitors.

Lockers -- Lockers are for student use, but are the property of Miller Junior High School. They must be kept clean and ready for possible search and inspection at any time. Combinations should never be shared. Students should not change lockers without getting permission from the office. Report any problems with lockers to the office. Kicking or jamming a locker or giving a combination out to other students may result in a loss of locker privileges. Students should visit their lockers before school, during lunch (if needed) and after school.

Lost and Found -- Many items are left behind accidentally. Students should always check the last place they had the item first. We keep lost and found clothing items in a large bin near the stage in the student center. Other items are often turned into the office. Unclaimed items are eventually given to charity. Keep checking the lost and found and report lost valuable items right away. **Putting your name on clothing and other items will help** get them returned to the rightful owner. **REMINDER: Miller Junior High cannot be responsible for lost items at school but we will always help in any way we can. Miller Junior High cannot be responsible for damage to items or misuse of personal items.**

Medication at School -- Student who require medication at school, must have an authorization form (available in the counseling office) filled out by the parent/guardian and physician. The school cannot administer any medication without this form. **THERE ARE NO EXCEPTIONS TO THIS RULE.** The school allows students to take their own medication with written parent/guardian and doctor permission. Students cannot keep medications with them at school. Medication should be given to the school nurse or a secretary, who will allow them to take it according to the physician's instructions. The school suggests that students who regularly take medication have at least a 5-day supply at school. Please inform our counselors or school nurse of any special medical needs.

Messages to Students -- During class time messages for students will only be delivered in the case of an emergency. At other times the office will attempt to contact the student between classes. After school plans should be discussed with parent/guardian before the school day to avoid interruptions to class.

Nurse -- The school nurse is in our building regularly throughout the week. When working in the building, the nurse acts as a health consultant to students, teachers and parents/guardians. The nurse is available for conferences on health matters. Please call the nurse with any health concerns and about excusing your child from PE.

Nurse's Office Guidelines-

Students should report to class first and get a note from the teacher excusing them to the nurse's office. Students login to the nurse reporting station (Skyward) prior to reporting to the nurse's office. (Exception: if a student has a bleeding injury, notify the secretary and the report directly to the nurse's office)
First step, the student temperature will be taken. If no fever is evident, he or she may rest for 10 minutes then sent back to class if no other symptoms are present.
If the student has a fever, the school will call the parent/guardian or emergency contact to have the student picked up. Students should be free of fever for twenty-four hours before returning to school. Please remember that only the parent/guardian who is listed on the registration information will be allowed to pick up students from school. Remember to have a parent or guardian call the attendance office at 538-2100 to excuse absences from school.

Office -- The school office is a busy place. When a student enters the office, they should first check with the secretary at the front desk and politely ask questions to get the help they need. The secretary at the front desk will then direct them to the appropriate person or answer questions. If an adult sends a student to the office they should enter the office quietly and tell the secretary who sent them. They will then be directed where to wait for assistance.

Office Referrals - Serious discipline or behavior problems are referred directly to administrators who then meet with

the student. Both the principal and the assistant principal have as their first obligation the safety of the students and staff. When assigning consequences or writing behavior plans, the administrators balance the needs of the student to learn appropriate behavior with the needs of the entire school for a safe and orderly environment. Major office referral records remain with the student as long as they are in the public-school system.

Students receiving referrals of any kind (SWIS, Skyward or sent to the office) are not eligible to attend reward activity events.

The Range of Sanctions includes time out of class to time out of school. For a complete list of disciplinary policy and potential sanctions see Aberdeen School District Policy 3200.

PBIS – Students that follow the expectations

Physical Education (PE) -- All students are expected to dress for and participate in PE. Students can purchase a PE uniform at school. Students must wear a Miller PE or gray crew neck tee shirt and a pair of blue or black knee length athletic shorts (or sweatpants on cold days). Students should also have appropriate footwear. Students will be assigned a PE locker to keep items in. Do not share combinations and always lock your PE locker when you are not watching it.

Cameras, cell phones and all other photographic devices are prohibited in the locker rooms for privacy reasons. The locker room is a Red-Light Zone for ALL electronics.

If a student has an injury or illness that prevents them from participating in PE, their guardian must call the office or send a note. If the guardian requests that a student be excused for more than two consecutive days, a note from a medical provider should be provided.

Report Cards - Students receive final grades at the end of each trimester. The purpose of grades is to provide an opportunity to monitor progress and get a fresh start at the beginning of each trimester. Progress reports are also available in each student SKYWARD account. Teachers will post grades at regular intervals. Check with the teacher for exact information.

Required Notifications -- One of the responsibilities of the Aberdeen School District is to ensure parents and guardians are provided notices of their rights in regard to their children's education. On our website, we provide a description of a variety of notifications that reflect both state and federal law.

Selling or Trading Items at School – Students are not allowed to sell or trade items at school.

School Day -- The building opens at 7:15 each day. Students are allowed down the hallways at 7:50 to pick up Chromebooks and meet with teachers. Students are provided 30 minutes for lunch and 4 minutes to pass between classes. First period begins at 8:00 a.m. and sixth period ends at 2:30 p.m. Students must be off campus within 15 minutes after the end of the school day (including early release days). Students may not leave campus without permission once they arrive.

School Board--The Aberdeen School District Board of Directors is made up of five at large representatives elected from the citizens who reside within the school district boundaries. A current listing of the Board of Directors can be found on the Internet at www.asd5.org or by calling the Aberdeen School District office at 538-2000. The board represents the people of the school district. Board members welcome comments and questions from the public. A copy of the meeting schedule can be obtained from the district office and on the district website.

District Superintendent: Dr. Alicia Henderson

ASB card sales help pay for sports and events at Miller. ASB cards often provide students a discount at MJH dances.

While in the student center everyone is expected to:

- Wait in the appropriate line before entering the serving area

Tardy Policy -- Miller Junior High School expects students to be in class on time. Being to class on time tells the teacher that students are ready to learn. If a student comes late to school in the morning, bring a note from a parent/guardian and check-in at the office to get a late slip. Unexcused tardiness cannot be excused. Remember: A tardy must be excused within forty-eight (48) hours or it will be marked unexcused. At any time during the school day, if students are late to class without a valid excuse note it will be marked tardy.

Telephones -- School telephones may be used during the day to make necessary phone calls with permission. Phones are available in the office and most classrooms. Teachers and office staff will determine if a phone call is necessary.

Textbooks and Library Books -- Textbooks and library books are assigned by a teacher or checked out to students through the library. Students are responsible for keeping books secure, clean, and in good condition. If a book is lost, stolen, or damaged, it should be reported a teacher or the library right away. A fee will be charged for lost or damaged books.

Title 1- Title 1, Part A Services -- Formal Complaint Process

The Elementary & Secondary Education Act (ESEA) supports equal access to education, and establishes standards for state, district and school performance and accountability. The ESEA also authorizes and funds education programs, which the states administer. Title I, Part A is one of these federal education programs. Districts and schools use this supplemental funding to serve the unique needs of children - kindergarten to grade 12 - who struggle to learn. The Title I/LAP and Consolidated Program Review office at the Office of Superintendent of Public Instruction (OSPI) always encourages parents and school officials to work together to try to resolve disagreements that affect the services provided. If you have a concern, the complaint process is accessible from the Miller Junior High School office or available online.

Tobacco Policy - It is illegal for persons under the age of 21 to possess tobacco products. If a minor is found in possession of tobacco products, they may be reported to a representative of the Aberdeen Police Department and will be referred to a student assistance service. The student will receive consequences proportionate to the infraction. This also includes vapor devices on school premises and in student possession.

Transportation -- School bus transportation is a privilege, not a right. Students can be removed from the bus for not following the rules set by the bus driver and the school. Students **may not** switch buses without a parent/guardian note and a permission slip from the school. Permission slips are written before school or during lunches and phone calls are not accepted in place of a parent/guardian note after 1:00 p.m. School rules apply on the bus and at the bus stops.

Trespassing – On early release days, once you are released, go home. Elementary schools are off limits on early release days. If you are retrieving a sibling from an elementary school, please follow that school's procedure/expectations and then go home. Students are not allowed to stay around the building after hours or to return to the school building after hours unless there is an event scheduled for that evening.

Truancy - Truancy is an unexcused absence from class or school during school hours.

According to Washington State Law (RCW 28A.225), if a student exceeds five (5) unexcused absences in a month or ten (10) unexcused absences in a year, a BECCA Petition may be filed with Juvenile Court of Grays Harbor County.

Visitors -- All visitors must report to the front office, sign in, and pick up a visitor tag before entering the building. If you see a visitor in the building without a visitor tag, report it to the nearest staff member and if possible direct them to the office. Student visitors, such as relatives or friends from other schools, are not allowed at Miller. Adult visitors to classrooms or cafeteria are not allowed without prior arrangement from administration. Parents/guardians are welcome to visit classrooms.

Parent/guardian visits must be arranged through the office with 24 hours' notice. Only adults listed in a student Skyward contact information can check a student out of school.

Weapons Free Zone

By state law, schools are drug and weapon free zones. Weapons include but are not limited to the following list: knives (of any sort or size), guns (real or look alike), martial arts instruments, and common items used with intent to inflict bodily harm to another person. Any student who brings dangerous objects to school is subject to discipline as outlined by state law, which includes but is not limited to expulsion.

Weapons Policy

It is a violation of district policy and state law for any person to carry a firearm or dangerous weapon on school premises, school-provided transportation or areas of other facilities being used exclusively for school activities. It is also a violation of district policy for any person to carry or use in a threatening or disruptive manner any device, which resembles or is intended to look like a dangerous weapon. Any such violations shall be taken seriously by school officials and will be subject to corrective action or punishment. School officials shall notify the student's parents or guardians and the appropriate law enforcement agency of known or suspected violations of this policy. Students who violate this policy shall be subject to discipline, including a one-year expulsion for a violation involving a firearm. The superintendent may modify the one-year expulsion on a case-by-case basis.

Weather Delays -- Sometimes the weather makes it too dangerous to drive our beautiful buses safely on the roads. If we need to delay or cancel school due to bad weather there are several ways to get important information. The school district uses Flash Alert, the radio stations, the TV stations, and sometimes an automated call from Blackboard. Flash Alert requires a free signup log in. The other resources are important to you and your family and you should know where to find them.

Yearbooks – Please purchase yearbooks online.
