Cat's Connection

May 11, 2006

Prevention Club Members are hiding Drug Fact Cards around the school.

During the month of May you have a chance to find five (5) different cards. When you find a card turn it in to Room 104 (that's Mr. Bushman's office). Cards turned in will receive a prize.
Good Luck!

Fact of the Day: Examine the Risk Factors

Look at your family history of mental illness & addiction, several studies have shown that this disease tends to run in families, but can be prevented. The more you are aware of your biological, environmental and physical risk factors the more likely you are to overcome them.

If you haven't signed up for the **8th Grade Celebration** there is still time.

This is open to all 8th grade students in the Aberdeen School District.

Sign-up/Student Contract Forms are in the Office.

Take your family to the ballgame! Sunday, May 19th watch the M's at Safeco, honestly the name escapes me, take on the Angels. Here is the Zoom Link to pay for your tickets:
