

Cat's Connection

October 12, 2021

Need help with spirit gear? ASB will be selling Bobkitten Spirit hair scrunches and bracelets for \$1 during lunches. See Mrs. Stover to purchase yours today.

Today is National Farmer's Day

From very early in American culture, farmers set an example with their endless hard work. Not only do they provide a nation with the food we eat, but they also contribute to our economy in numerous ways. Before seeds even find their way into the ground, farmers supply a stream of jobs. From manufacturing, marketing, and tourism, farmers keep small and large communities going strong.
