***GEAR UP is also providing Math support for our 8th Graders during the school day and after, and ELA support after school.**

***The GEAR UP Advisory Committee is looking for parents and students who would like to help support the program. Please contact Mr. Morrison if you are interested in being involved.**

***We will be working with the Class of 2023 for the next six years, so please let us know how we can best help you and your students with their post-secondary goals!**

Are you a member of the **Class of 2023**? If so, we need to talk! My job is to assist this year's 8th Graders and their families with getting to graduation and planning for life after high school. How can I help you? Attend GEAR UP Family Nights this year to find out. In the meantime, take a look at the resources on the [Miller GEAR UP web page](#) and contact me if you have any questions. I'm looking forward to working with you!

Scott Morrison

Graduation Specialist

*GEAR UP stands for Gaining Early Awareness and Readiness for Undergraduate Programs. The goal of GEAR UP is to increase the number of students who prepare for and succeed in college by improving students' academic performance, students and families' knowledge of college choices, academic requirements for college entrance and financial aid options. **The Aberdeen School District GEAR UP Program serves all members of the Class of 2023.***
