

## Class Syllabus AHS Math

**Materials:** Paper Pencil Textbook Calculator

**No Cellphones:** Cellphones should be put away during class unless otherwise stated by the teacher. Headphones/earbuds should not be worn.

### **Homework (25% of grade)**

There will be an assignment each day and each assignment is worth 5 points. In order to receive the entire 5 points the assignment must be complete, turned in on time, and have work shown. As we grade our papers in class, a paper with only answers, and no work shown, will not be accepted. Notes are part of the homework grade. Notes will be taken daily by students and handed in at the time of the test. Warm-ups will be included in this grade.

### **Tests (50% of grade)**

A test will be given at the end of each chapter, as well as a final comprehensive test at the end of each semester. If you miss a scheduled test due to an excused absent you may make the test up before or after school. You have one day to make up a missed exam upon return to school. You may also retake a test if you feel you can do better but you have one week to retake the exam from when I return the graded exam.

### **Quizzes (25% of grade)**

There will be a quiz every week except during test weeks. No retakes for quizzes, however you can show mastery during the chapter test to help improve this grade.

### **Late work/Make-up work**

All late work from a unit must be turned in up to one week after the unit test. Late work will earn reduced credit. Missed work or tests from excused absences will be made up upon your return to school. The normal time allowance for make-up work is one day per day of excused absence.

<b>Grading:</b>	A: 100-93	A-: 92-90		
	B+: 89-88	B: 87-83	B-: 82-80	
	C+: 79-78	C: 77-73	C-: 72-70	
	D+: 69-68	D: 67-60		
	F: 59-0			

Tests= 50% H.W. = 25% Quiz =25%

### **Attendance**

The student is responsible to attend all classes (unless excused for a school activity) and actively engage in the day's lesson. The student's attendance in the class is crucial to the student demonstrating proficiency in the subject. Excessive absences (more than 7 excused or unexcused in a semester) may cause the student to be ineligible to earn credit in the class, participate in extracurricular activities and lead to truancy board referral.

**ABSENCES: EXCUSED, UNEXCUSED, AND TRUANCY** It is the student's responsibility to arrange for all make-up work with their teacher, when they have an excused absence. Students should be able to access work via Canvas. Parents are required to call the school if their son/daughter will not be there for that day at 538-2060. An absence is defined as any class session missed and not participating in instructional activities. An unexcused absence indicates that the student is absent from school with or without the consent of the

parent/guardian, but the reason is not acceptable to the school. It will be marked in the teacher's grade book as a no credit for the missed class. \* Note: Students that are sent out of class for disciplinary reasons are not to be marked as absent from class. \*\*Students who are unexcused from class will not be allowed to make up missed work, tests, projects, etc., for credit.

**Tardiness**

If you get to class after the last bell, you are tardy. It is always better to be late than not there at all.

**Where to go for extra help**

I am available in my room most days before school. If I am not available there are always other teachers who are around and willing to help. Do not forget about the after school program. You can always email me to set up a time to get help.

Please fill out the below portion. There is an electronic version on my webpage.

---

It is important to me that you know what your child is doing in math. Please look over the syllabus, sign below and have your student return it to me by Friday 9/09/16.

STUDENT: \_\_\_\_\_
