Veterans Day Assemblies

Music teachers conducted Veterans Day Assemblies throughout the District this week where students honored the sacrifices that men and women in the armed forces have made and continue to make in defense of our country. Students also offered rousing renditions of songs from each branch of the military.

In the photo above, longtime music educator Troy George finds no shortage of students at McDermoth Elementary School eager to share what they know about the meaning of the word "veteran." The photos below feature McDermoth students, including the principal for the day, and Robert Gray Elementary students.
