ADJOURN
President Sandra Bielski convened the regular meeting of the Aberdeen School District Board of Directors at 5 p.m. Tuesday, May 7, 2019, in the Community Room at Aberdeen High School. Directors present were Jennifer Durney, Bill Dyer, Erin Farrer and Jeff Nelson, along with Superintendent Alicia Henderson, student representative Natalie Hurd and 28 patrons and staff. The meeting began with the flag salute.

On a motion by Erin Farrer and seconded by Jennifer Durney, the Board approved the Consent Agenda, which included the minutes of the regular meeting on April 16, 2019; permission for the Miller Junior High Jazz Band to travel to the Central Washington University Jazz Festival in Ellensburg on May 17-18, permission for FBLA at Aberdeen High School to travel to San Antonio, Texas, for the National Student Leadership Conference on June 27 to July 3, and correspondence from a parent, Kelly Silveira, requesting sign-in sheets for all meeting attendees at Board meetings.

Director Bill Dyer commented that the school board members from throughout the region who attended the spring meeting of the Washington State School Directors’ Association were impressed with the high school facility, the atmosphere on campus, the food served by the culinary students, and the students themselves who served the dinner. He noted that the marching band was practicing, which added to the spirit of the event.

President Bielski introduced Tina Miles, president of the Cosmopolis School Board, who has been attending meetings as her board’s liaison to the Aberdeen School District.

Student Representative Natalie Hurd provided a report on student activities in the District.

Chuck Veloni, AHS teacher and advisor to SkillsUSA, presented the state champions who will be traveling to the national competition this summer. He noted that in the past few years, the Aberdeen chapter has fielded more than 20 students who have been Top 10 finishers at nationals. Michaela Leach, president of the SkillsUSA chapter and member of the winning Entrepreneurship team, introduced the teams that will travel to nationals: Bryson Grenier and Andrew Shumate, Audio/Radio Production; Daniel Hunt and Eric Eng, Entrepreneurship, and Cahli Birchard, HVAC and Refrigeration. In addition, Mr. Veloni noted that Perla Mata will attend as the Medical Assisting champion in the state, and that Paulian Beardsley qualified on the Entrepreneur team but leaves for the Navy right after graduation and won’t be attending.

Miss Leach announced that the annual SkillsUSA Barbecue will take place from 6-7:30 p.m. on Wednesday, May 22, in the Commons at Aberdeen High School. Tickets are $10 each and can be purchased from any team member or at the school.

Superintendent Alicia Henderson said that she wanted to recognize and appreciate the work our teachers do every day with our students as May 6-11 is Teacher Appreciation Week and that the board was meeting on the Day of the Teacher.

Superintendent Henderson recognized several people in the District: Chuck Veloni for being an outstanding mentor and real champion for our students; Camryn Cook, a senior at Aberdeen High School, who has been awarded a National Honor Society
scholarship, making her one of six in the state from among 11,000 applicants nationwide; Ben Fagerstedt, a senior at Aberdeen High School, who competed for the championship at the state solo/ensemble competition for the second year in a row, having won it last year and earning silver this year, and Nani Villarreal, coordinator of student support services for the district, who has been appointed to the board for the Washington Association of Bilingual Educators.

Superintendent Henderson provided an update on the 2018-2019 focus areas, reporting that principals and teacher leaders attended a conference in Spokane funded by a grant from ESD 113 to learn about integrating MTSS (Multi Tiered Support Systems) into the schools. She explained it’s the next step for the PBIS (Positive Behavior, Intervention and Support) and AVID (Advancement Via Individual Determination) work that is taking place in the district, which is to integrate the behavior and academic support systems. A report on MTSS will be provided to the Board before the end of the year.

Superintendent Henderson also commented on the success of the WSSDA regional meeting that took place April 30. She said it was a great day to be superintendent in Aberdeen because of the many, many compliments on the beautiful school and outstanding culinary program.

Superintendent Henderson thanked Michelle Reed, Tracy Miner and Tina Palmer of the Aberdeen Education Association for teaming up in Olympia to meet with legislators. She reported that they met with four lawmakers to discuss areas of concern regarding funding for education. She said they were well-received and it was clear they were there together to speak on behalf of Aberdeen. She provided updates on key legislation.

Superintendent Henderson said House Bill 1599 will have a significant impact in districts across the state as it now allows multiple pathways to graduation and delinks assessments as requirements for graduation.

Superintendent Henderson said Senate Bill 5082 supports development of social/emotional learning standards and mental health counseling for students, including more coordination to bring providers into the schools.

Superintendent Henderson said Senate Bill 5437 expands eligibility for ECEAP (Early Childhood Education and Assistance Program), which she said should allow more families to qualify for the district’s preschool program.

Superintendent Henderson said the Legislature did not postpone implementation of the K-3 Class Size Reduction requirement. She thanked the Board for its work on this issue. By moving 6th Grade to Miller Junior High School to free up elementary classroom space, Aberdeen is now one of the few districts that is not at risk of losing funding because K-3 class sizes are too high.

Superintendent Henderson said implementation of the new School Employees Benefit Board also was not postponed. She said this new health care benefit system will have an impact on every district in the state because it is significantly underfunded. The requirement to provide health benefits to part-time employees who work at least 630 hours per year will impact the district’s budget because most of the substitutes for will now qualify for benefits. The district planned for a 5 percent increase in benefit costs, which will not be enough to cover the cost of insuring more employees, she said.
Superintendent Henderson reported that several bills attempted to deal with the fact that special education is underfunded. The shortfall in Aberdeen is $1.5 million. The bill that passed increases the multiplier for calculating eligibility and the district will probably receive an additional $150,000. In the second year, she said the multiplier will be greater for students being served in a general education classroom for more than 80 percent of their school day.

Superintendent Henderson said Senate Bill 5313 lifts the cap on local levy requests from $1.50 per $1,000 of assessed property value to $2.50 per $1,000 of assess value. She explained that for 2019-2020 the district will collect the increased amount in 2020, but after that, the levy expires and a new request will need to go before voters.

Superintendent Henderson said the Legislature approved funding for districts that did not benefit under the “McCleary Fix.” Known as the Hold Harmless Proposal, she said it appears the one-time amount will be significant and that local lawmakers were very vocal in supporting it.

Superintendent Henderson reported that she is confident there will be additional funding for 2019-2020, but not all of it will be ongoing and that much more information is needed on how the funds can be spent before final decisions can be made on appropriations in the budget. Of concern, she said, is the expected increase in health care costs that will exceed the 5 percent increase the district had planned.

On a motion by Jennifer Durney and seconded by Bill Dyer, the Board awarded the contract for site preparation at Miller Junior High School for the new 6th Grade modular building to Rognlin’s Inc. of Aberdeen in the amount of $1.5 million. Prior to the motion, Elyssa Louderback, executive director of business and operations, reported that bids came in higher than expected and that Rognlin’s will be meeting with the architects and engineers this week to for a value-engineering session to identify cost-saving measures. She expects Rognlin’s to begin work the following week.

Director Louderback noted that the schedule calls for installation of the new building to be complete in August and for teachers to have access to their new classrooms on August 14.

Athletic Director Aaron Roiko provided a report on spring athletics that included information about the WIAA Team Academic Awards earned by six Bobcat teams, discussion about proposed WIAA amendments that could impact the District’s 2A classification, and information about the number of students participating in athletics.

On a motion by Bill Dyer and seconded by Erin Farrer, the Board approved the annual agreement with the New Market Skills Center at Tumwater. Prior to the motion, CTE Director Lynn Green explained that the agreement makes Aberdeen students eligible to sign up for skills center classes through New Market if the desired course is not offered locally through the Twin Harbors branch. She said the agreement has been in place for many years and it could become important this year because the cosmetology program may no longer be available locally.

On a motion by Jennifer Durney and seconded by Jeff Nelson, the annual agreement with Bates Technical College was approved. CTE Director Lynn Green explained that it
makes post-secondary CTE studies available to high school students who qualify, much like Running Start allows high school students to take college classes.

CTE Director Lynn Green reported that the district is once again applying for the 21st Century Grant to provide before- and after-school programs. The district was funded for about 10 years but was not renewed last year. Another round for five-years of funding has opened with applications due May 31. The district can apply for funding for up to four schools. She reported that after review of much data, the district is applying on behalf of Robert Gray, A.J. West and McDermoth elementary schools and Miller Junior High School. Concurrently, she said work is under way to find other funding sources for programs at the remaining schools. She noted that the YMCA of Grays Harbor will continue to be a primary partner in the district's after school programming.

The next regular meeting of the Board is scheduled for 5 p.m. Tuesday, May 21, 2019, in the Community Room at Aberdeen High School.

CTE Director Lynn Green reported that three Aberdeen High School FBLA students will attend the National Student Leadership Conference in San Antonio this summer – Hunter Smith, Thalia Cook and Daniel Hunt. One of the students, Daniel Hunt, qualified for both the SkillsUSA and FBLA national events.

At 5:45 p.m., President Sandra Bielski recessed the meeting for an executive session expected to last 30 minutes under RCW 42.30.110 (g) (to evaluate the qualifications of an applicant for public employment or to review the performance of a public employee and to consider real estate matters). At 5:47 p.m., the session convened. The regular meeting reconvened at 6:17 p.m.

On a motion by Bill Dyer and seconded by Erin Farrer, the Board approved the Personnel Report. Under certificated matters, the Board approved the hiring of Morgan Bailey as a speech language pathologist for the District effective August 28; accepted resignations effective June 14 from Leslie Dolan as a nurse for the District, Stephen Galloway as a psychologist for the District, Joni Sherman as an ESA specialist for the District, Nancy Villarreal as coordinator of student support services for the District, Cassandra Silvers as a Social Studies/PE teacher at Harbor High School, Damien Cooper as a preschool teacher at the Hopkins Building, Heather Atwood as a teacher at Central Park Elementary School, and Marlena Tolon as a teacher at McDermoth Elementary School; and approved the hiring of Teri Herold-Prayer as a substitute.

Under classified matters, the Board approved the hiring of Hania Bielc and Nissa Hunley as student helpers (0.5 FTE) at the Administration Building effective May 1; accepted resignations from Brian Heaton as the LRC technician at Miller Junior High School effective June 14 and Scott Morrison as the GEAR Up graduation specialist at Miller Junior High School effective August 31; approved a leave of absence for A'Dee Walker, assistant secretary at Aberdeen High School, effective April 23 to May 2; accepted extra-curricular resignations from Jared Berken, Robert Green and Jack Traxtle, assistant football coaches at Aberdeen High School, and from Kevin Stewart as assistant coach for boys’ swimming at Aberdeen High School; and accepted the resignation of Julean Joslin as a substitute effective May 17.

On a motion by Bill Dyer and seconded by Jennifer Durney, the Board approved the 2019-2020 Certificated Staffing List.
On a motion by Jennifer Durney and seconded by Bill Dyer, the Board approved the 2019-2020 Administrative Staffing List.

On a motion by Jennifer Durney and seconded by Erin Farrer, the Board approved the 2019-2020 Principal Staff List.

There being no further business, the regular meeting was adjourned at 6:19 p.m.

Dear Parent/Guardian,

Congratulations! GEAR UP has selected your child for the GEAR UP Empower U Camp. This camp will be held at Gonzaga University in Spokane, WA from Tuesday, June 18 to Friday, June 21, 2019. Participation in this camp is a selective process; therefore, it is important that your child keep this commitment to attend camp.

Approximately 100 students from GEAR UP schools across the state will be attending this camp to gain leadership skills and to prepare for life after high school. Attached to this letter is a list of items to bring to camp including bedding and toiletries. Please help your student pack accordingly for their comfort and enjoyment. If you anticipate that your child may not be able to bring bedding, please contact the GEAR UP Coordinator to make alternative arrangements.

**WHAT IS THE EMPOWER U CAMP ALL ABOUT?**
As a GEAR UP student, your child has been learning about the importance of planning for life after high school, including continuing education in college or a training program. GEAR UP has designed this camp to help students prepare for those next steps. Students will participate in leadership development activities and team building exercises. GEAR UP has screened and hired current college students to serve as mentors. They will help lead camp activities and give an insider’s perspective. Campers will meet other GEAR UP students from across the state, allowing them to network and make friends. **Best of all, camp is no cost to you!** Washington State GEAR UP will provide lodging, transportation, and meals. Students will stay on campus and be supervised by school chaperones.

**HOW IS MY STUDENT GETTING TO/FROM CAMP?**
On June 18, the school’s chaperone(s) will transport students to camp and return home on June 21. Your GEAR UP Coordinator will provide you specific transportation information.

**WHO DO I CONTACT IF I HAVE QUESTIONS?**
We want you to feel comfortable about sending your child to Gonzaga University this summer. Please see the packing list for questions about what your student should bring with them to camp. If you have additional questions, please contact your GEAR UP Coordinator. We are excited about providing this opportunity to our students and look forward to working with them!

Hold Harmless

Provision in the Operating Budget to provide additional LEA funding for districts who were most severely impacted by the new state funding model (includes ASD5).

This funding would offset the limit to the LEA contribution to districts under changes to the local levy limit.

**Preliminary estimate:**

One-time payment of $900,000 (in 2019-20) to offset limited LEA funding to ASD5 for one year. **Note - this has not yet been confirmed by OSPI**
No Delays!

K-3 Class Size Reduction (CSR)

Required ratio 1:17 for K-3 classes

District average across school year

Includes classroom teacher and specialists (music, special education and PE teachers)

ASD5 is prepared to implement in 2019-20!

Yay! - no $720,000 penalty to our apportionment

School Employee Benefits Board (SEBB)

School districts must provide health benefits to all employees working at least 630 hours / year

Effective January 1, 2020

Cost - still unknown

Oh no! How can we budget for this expense if we don’t know how much it will cost?
● All employees who work > 630 hours in the school year are eligible for medical, dental, vision benefits.
● This equates to working > 3.5 hr/day
● State only pays for the staff in prototypical model
● Employers must pay for each employee who works >630 hours, even if employee waives medical insurance.
● We currently have 84 employees who waive medical coverage (roughly $1,004,976)
● Roughly 50 substitutes are likely to be covered costing approximately $598,000

### Monthly insurance allocation per state estimates:

*Process facilitated by Capital Region ESD 113 Teaching and Learning*
Team Charge and Purpose

**Charge:** Combine knowledge of the Next Generation Science Standards (NGSS) with knowledge of the present and shifting demographics of the Aberdeen student body to review, evaluate, and recommend a secondary science curriculum.

**Purpose:** To provide a curriculum with sequenced skills and concepts, meeting the NGSS for all students, that ensure science success for *all* junior high and high school learners in the Aberdeen School District.
Standards

**Next Generation Science Standards (NGSS):** The NGSS focus on helping students use science to make sense of phenomena (observable events) in the natural and designed world and to use engineering practices to solve problems.

**Three dimensions of NGSS:**

- **Crosscutting Concepts** - links domains of science; cause and effect, scale, proportion and quantity
- **Science and Engineering Practices** - use and construct models as helpful tools to represent ideas and explanations
- **Disciplinary Core Ideas** - understanding or investigating complex ideas and solving problems
Adoption Timeline

- **School year 2017-2018**: Juniors take the Washington Comprehensive Assessment of Science (WCAS) for the first time; ASD science teachers express gaps between existing curriculum and demands of NGSS

- **Fall-Winter 2018**: Curriculum Adoption Team (CAT) meetings began with ESD facilitator to review programs

- **Winter-Spring, 2019**: Curriculum investigations, CAT meetings

- **Spring-Summer, 2019**: Order, delivery of curriculum, training

- **Fall, 2019**: Implementation into classrooms with ongoing fidelity checks and staff support/training
Evaluation Tools and Resources

• **Primary Evaluation for Essential Criteria (PEEC)** for Next Generation Science Standards Instructional Materials Design

• **NextGen Science site and link to EQuIP Protocol** for evaluating the alignment of lessons, units, and modules to the CCSS and for analyzing the relationship between student work and the quality and alignment of instructional materials

• **Online Instructional Materials Reviews**
ASD Demographic Trends

Population trend

• Steady the last eight years, varying between 3,200 and 3,500 students

Ethnicity trend

• The percent of students identifying as Hispanic/Latino has nearly doubled the last ten years

Other data

• In the last ten years, the percentage of students with disabilities has increased more than 30%
• ESSA data shows a need to focus on ELA and Math proficiency for English Learners and Students with Disabilities
Curriculum Requirements

Objective measures for ensuring fidelity to CAT requirements:

• Content **meets requirements of NGSS** (overall and at each grade level)
• Content **meets the rigor** of NGSS standards to provide college and career readiness
• Materials and content meet the challenges and needs of **students at all ability levels**
• Materials contain **teacher supports** for usability and differentiation
• Assessments **align** with the major features of NGSS standards
Programs Investigated

- **Pearson** “Elevate” (middle school) and accompanying high school program
- **McGraw-Hill** “Inspire”
- **STEMScopes**
Evaluation/Review

Applied aspects of the PEEC and EQuIP tools most relevant to Aberdeen students and teachers

• Programs not fully meeting ASD needs
  – Pearson
  – STEMScopes

• Program most fully meeting ASD needs
  – McGraw Hill
Justification

**McGraw Hill:**

- Explicit and clear link to NGSS practices, three dimensions
- Clear use of “5E” lesson model
- Student and teacher safety guidelines are strong
- Strong digital supports to meet learner and teacher needs
- Scaffolding
- Lends itself to differentiation
- Clear, consistent layout/navigation of materials
- Phenomena consistently relevant and authentic
- A “bridge” or “hybrid” between traditional and digital programs
Ongoing Supports

• Professional development/training provided by the publisher

• Fidelity and accountability checks by building leadership
Thank you to the Aberdeen School District Board of Directors.

We appreciate your ongoing support and encouragement.

5. SYNOPSIS/SUMMARY
This book allows students to learn about Environmental science with a special look at real world examples, problems and solutions. The ultimate goal is to give students a successful AP experience that will help them find success in all of their future AP classes. This book covers all the major and minor topics that will give students the ability to view and understand the complexity of the environmental problems to find viable solutions or starting points towards those solutions. The support includes instructor resources and supplemental testing guides and question banks.

3. Content can be adapted to abilities of individual students (i.e. different reading levels, ELL students, students with disabilities)?  □ Yes  □ No
   Please explain: The content can be adapted to different levels but it will mainly be by the instructor. There are supplemental materials but I have yet to see them.

7. MATERIAL EVALUATION
   Provide a brief overview/impression of instructional material (strengths/weaknesses, reasons selected over others, why students will benefit)
   I have been using a Withgott book already in science, though it is from 2011. The information is combined with stories that draw students into the experience as well as pictures that illustrate the issues, phenomena, and context that is current, reliable and relatable.

8. BIAS SCREENING
   The purpose of the following questions is to alert individuals to potential biases by author/publisher. A response of “Poor” does not necessarily eliminate the material from being approved. For example, traditional and classical perspectives will be reviewed as reflecting the period in which they were written.

   1. Presents more than one viewpoint of controversial issues.
   2. Presents minorities realistically.
   3. Includes contributions of minority authors.
   4. Presents no biases in regards to race, color, national origin, sex, sexual orientation including gender expression or identity, creed, religion, age, veteran or military status, disability and use of a trained dog guide or service animal by a person with a disability (WAC 392-190-055).
   5. Facilitates the sharing of cultural differences.
   6. Promotes the positive nature of differences.
   7. Includes the contributions, inventions, or discoveries of women.
   8. Includes the contributions, inventions, or discoveries of minorities.
   9. Presents minorities in a manner that promotes ethnic pride.

3. Content can be adapted to abilities of individual students (i.e. different reading levels, ELL students, students with disabilities)? ☒ Yes ☐ No
Please explain:
At a 6th grade reading level, this content is being utilized to provide students the skills necessary to become successful in all classroom settings.

7. MATERIAL EVALUATION
Provide a brief overview/impression of instructional material (strengths/weaknesses, reasons selected over others, why students will benefit)

It is my belief that this program will allow us to promote and instruct skills for the student with special needs. They will have greater access to social skills and environmental development. This program gives strength to the students that need extra support.

As this is a college-level course, the mature content of the novel matches the standard of high-level reading expected in an AP class. The novella can be listened to via YouTube or other online sources if students need that accommodation or they prefer to listen to it while they read.

7. MATERIAL EVALUATION
Provide a brief overview/impression of instructional material (strengths/weaknesses, reasons selected over others, why students will benefit)

This novella poses difficult and deep questions about the definition of “civil” race relations and imperialism. In the last decade the novella has become somewhat of the “darling” of AP Literature and Composition and is often explicitly referenced on the AP Exam.

3. Content can be adapted to abilities of individual students (i.e. different reading levels, ELL students, students with disabilities)?  Yes  No

Please explain:
The learning involves SEL which is both very individualized and reflected in overall school climate. Each student has individual levels in SEL, often not directly related to academic skills and abilities. Therefore, each student will grow/learn in relation to their present level in different areas of SEL. Access to this growth is not dependent on reading levels, ELL or disabilities.

7. MATERIAL EVALUATION
Provide a brief overview/impression of instructional material (strengths/weaknesses, reasons selected over others, why students will benefit)

Our SEL cohort felt that Character Strong was:
- Ideally suited for high school students
- Dovetailed with Miller’s SEL program
- Highly accessible training and support
- Easily put into practice
- Aligned with our PBIS goals
- Positive responses from other districts already implementing

7 MATERIAL EVALUATION

Provide a brief overview/impression of instructional material (strengths/weaknesses, reasons selected over others, why students will benefit)

This book focuses on the building blocks of musicianship, known as the 4 T’s: Time, Tuning, Tone, and Technique. The book is laid out in a straightforward manner and is easy to navigate. It has five sections starting with warm ups which include stretching, interval studies, scales and scale exercises, articulation studies, dynamics, and chord progressions. Section two is made up of short chorales. Chorales are slow moving pieces that are utilized by most successful bands as an effective rehearsal tool. Section three features rhythmic sight-reading exercises that are designed to help students build their musical literacy. Section four highlights sight reading, but not just rhythm, pitch is also included. Section five contains more difficult sight-reading examples that are suited for use as audition or testing material. The exercises in sections three through five are scaled so that students can start out on easier material, and progress to more difficult examples as they improve. I have spoken to several experienced music educators who all vouched for the effectiveness of this book. This book can be used by both 7th and 8th graders. It is important for students to have their own book that they can mark in, and use in class and at home over their 7th and 8th grade years.

The book series currently in use has a confusing layout, with concepts mixed throughout the book in an illogical manner. It contains too many examples with split parts, so students are not always playing the same thing as people near them. There is a classroom set of these books and so we end up needing to replace many books as they are damaged over the year. Other books have never been used due to scarcity of that instrument. There is a full set of 7th grade books, and a full set of 8th grade books which means we buy more books every year to accommodate for changing instrumentation.

SPECIAL SERVICES CONTRACT

In consideration of the promises and conditions contained herein, Aberdeen School District (the “District”) and Advanced Medical Personnel Services, Inc. (dba Advanced School Staffing) (the “Provider”) mutually agree as follows:

1. Services. The District hereby contracts with the Provider to perform the services identified in paragraph 2 hereof.

2. Description of Services:
   (a) Provide Occupational Therapy Services, Physical Therapy Services, and/or Speech Language Pathology Services for the 2019-20 school year and/or extended school year as needed.
   (b) Such other related services as the District may request. Said services shall be provided in a manner consistent with the accepted practices for other similar services, performed to the District’s satisfaction, within the time period prescribed by the District.

3. Insurance. Contracting agency or individual will maintain (at its expense), a valid policy of insurance evidencing general and professional liability coverage of not less than $1,000,000 per occurrence covering acts or omissions and general liability which may give rise to liability for services under this Agreement. Provider shall provide a certificate of insurance evidencing such coverage upon request by the District. Provider will provide the District with assurance of this insurance coverage in writing before commencement of services under this Contract. Provider’s failure to maintain such insurance policies shall be grounds for the District’s immediate termination of this Contract. The provisions of this paragraph shall survive the expiration or termination of this Contract for cause with respect to any event occurring prior to such expiration or termination.

4. Certification and Licensing Requirements. Provider warrants that all individuals providing services under this Agreement (“Service Providers”) meet applicable licensing and certification requirements. Provider must obtain and provide evidence to the District of current appropriate state certification and licensure at least 30 days prior to the beginning of each school year. Providers should have or be able to obtain an NPI number.

5. Background Checks. Pursuant to RCW 28A. 400. 303, any Service Providers under this Contract shall be required to have successfully completed a criminal history record check through the Washington State Patrol Criminal Identification System, under RCW 43.43.830-834 and RCW 10.97.030-050, and through the Federal Bureau of Investigation prior to providing any services under this Agreement. Provider will be responsible for securing these criminal history record checks and payment of all costs for obtaining such background checks.
Results of the background checks must be made available to the District prior to a Service Provider providing services to the District.

6. **Prohibited Employment.** The nature of the work performed under this Contract involves services provided to children and disabled adults. Therefore, no assigned Service Provider shall have pled guilty or been convicted of any felony crime specified under RCW 28A.400.322. Any failure to comply with this paragraph shall be grounds for immediate termination of this Contract for cause.

7. **Failure to Report.** Service Providers will inform Provider and the District of any inability to provide services no later than one (1) hour prior to reporting time. The District will notify Provider as soon as possible should any Service Provider assigned to the District fail to report to work as scheduled. Provider shall be responsible for providing substitute coverage without a lapse in service to the District for Service Providers who are absent for more than 5 consecutive days.

8. **Contemporaneous Log of Service Time.** Each Service Provider shall complete a weekly log of the names of the students served and the amount of service time for each student. Any deviation from the amount of service time shall be noted and explained. Such log shall be submitted daily via email to the District’s Special Education Director.

9. **Record Access.** Provider and Service Providers shall be responsible for maintaining and securing any records or logs necessary to justify, support, and document the services provided under this Contract. Provider shall retain such records for not less than the period prescribed by law. All duly authorized auditors of Provider and the District shall have access to examine said records.

10. **Confidentiality.** In providing services under this Contract, Provider and Service Providers may have access to personally identifiable education records and confidential information regarding District students, parents/guardians, or staff (collectively referred to as “Confidential Information”). Provider agrees that it and its Service Providers will maintain the confidentiality of Confidential Information. The use or disclosure of any Confidential Information for any purpose not directly connected to Provider’s services under this Contract is strictly prohibited except where required or authorized by law.

Provider and Service Providers agree to maintain the confidentiality of student records and provide access to the parents/guardians and students of such records in accordance with the Family Education Rights and Privacy Act (FERPA) and the Health Information Privacy and Accountability Act (HIPAA).

11. **Independent Contractor.** The Provider shall perform all duties pursuant to this Contract as an independent contractor. The District shall not control or supervise the manner in which this Contract is performed, except as expressly provided herein. Nothing in this Contract shall be construed to create a partnership, agency relationship, or employer-employee relationship between the District and Provider or its personnel. Neither party may incur debts or make commitments for the other party. Provider and its personnel shall not represent himself, herself, or itself as an employee, representative, or spokesperson for the District.
12. **Provider and Service Providers Not Employees of District.** Employees of Provider shall not be entitled to any rights or privileges of District employment. Provider assumes exclusive responsibility for any and all acts or omissions of its agents, officers, or employees. Provider will maintain direct responsibility as the employer of Service Providers for payment of wages, benefits, and other compensation, and for any applicable mandatory withholdings and contributions such as federal, state, and local income taxes, social security taxes, workers’ compensation, and unemployment insurance. Provider acknowledges that the District is not withholding federal income tax or FICA (Social Security) tax from Provider’s payment or paying Washington State unemployment, industrial insurance, or any other taxes on behalf of Provider or Provider’s personnel. Provider shall be solely responsible for the payment of any taxes imposed by any lawful jurisdiction as a result of the performance and payment of this Contract.

13. **Quality of or Need for Services.** If the District’s Special Education Director determines that the services of a Service Provider are no longer needed or desired or that the Service Provider is unable to perform or has failed to perform the services required by the District in a manner satisfactory to the District, the District will notify Provider and such assignment will end immediately. The District’s obligation to compensate for such Service Provider’s services will be limited to the number of hours actually worked.

14. **Orientation.** Provider will cooperate with the District to provide Service Providers with an adequate and timely orientation to the assigned school(s).

15. **Billing, Payment, and Accounting.** Provider will submit invoices to the District’s Business Office. Each invoice must identify the District purchase order number. Provider will be paid based on the rate sheet attached as Addendum A. Payment shall be made on a monthly basis after the District’s Business Office receives Provider’s billing statement in the form specified by the District, which statement shall include the services performed, the dates such services were rendered, and the name(s) and location(s) of the Provider’s personnel performing such services. Each such billing statement must be approved before submission to the District’s Business Office by the District’s Special Education Director.

Invoices must be submitted one (1) time per month and payments will be made after the second school board meeting of the following month. The District will send all payments to the address printed on acceptable invoices.

Upon request, Provider shall provide to the District with an accounting of services, which shall detail the services performed on each invoice and such other information as the District may reasonably request. Upon request, Provider shall provide the District with access to the books and records related to the services of Provider for inspection, audit, and reproduction.

16. **Nondiscrimination.** By entering into this Contract, Provider assures the District that Provider complies with all laws and regulations pertaining to nondiscrimination. No person shall, on the grounds of race, creed, religion, color, national origin, sex, sexual orientation including gender expression or identity, age, marital status, veterans’ status, disability, or use of a trained guide dog or service animal by a person with a disability, be excluded from participation in, be denied the benefits of, or be otherwise subject to discrimination under any activity performed pursuant to this Contract.
17. **Indemnification and Hold Harmless.** Each party ("Indemnifying Party") shall defend, indemnify, and hold harmless the other party and such other parties officers, directors, employees, agents and contractors (the "Indemnified Parties") from and against any and all liabilities, claims, losses, costs, judgments, penalties, fines, damages and expenses arising from or connected with any act or omissions of the Indemnifying Party, its officers, directors, agents, employees or contractors. Additionally, and notwithstanding the previous sentence, the District shall indemnify the Provider for all costs incurred and associated with any suits or other causes or action brought by an HCP against the District.

18. **Debarment and Suspension.** Provider certifies that to the best of its knowledge and belief, its principals and assigned service providers are not presently debarred, suspended, proposed for debarment, declared ineligible, or involuntarily excluded for the award of contracts by a federal government agency or department. Further, Provider certifies that it is not presently indicted for and has not within three (3) year period preceding this Contract been convicted of or had a civil judgment rendered against it for commission of performing a public transaction or contract. If it is later determined that Provider knowingly rendered an erroneous certification, in addition to any other remedies available to the District, the District may terminate this Contract for cause.

19. **Contract Default.** Provider’s failure to provide the services as indicated in this Contract in accordance with the terms and conditions of this Contract will constitute contract default, and, after due written notification, allows the District to terminate the Agreement for cause.

When Provider fails to furnish services in accordance with the terms and conditions of this Contract and the District must purchase replacement services at a price greater than the contract price, the difference may be charged to Provider. The District may exercise this charge as a credit against invoices due Provider.

20. **Termination.** In addition to the District’s other rights under this Agreement, the District may terminate this Agreement for cause upon seven (7) days’ written notice to Provider should Provider breach any of the terms of this Agreement, in which case the District shall pay Provider for all services performed through the effective date of the termination less any costs incurred by the District resulting from the breach(es). The District may terminate this Agreement for its convenience upon thirty (30) days’ written notice to Provider, in which case the District shall pay Provider for all services performed through the effective date of the termination. In the event that earmarked funding is withdrawn, reduced, or limited after the effective date of this contract but prior to completion, the District may terminate the Agreement without the required notice.

21. **Compliance with Rules and Laws.** Provider agrees to comply with all applicable laws, orders, rules, regulations and ordinances of governmental bodies applicable to this Contract as well as applicable District policies and procedures. All services provided will be in accordance with local, state and federal laws and regulations.

22. **Severability.** Each numbered clause of this Contract stands independent of all other numbered clauses. If any clause of this Contract or the application thereof to any persons or circumstances is held invalid, such invalidity shall not affect other terms, conditions, or
applications which can be given effect without the invalid term, condition, or application. Should any clause be adjudged invalid, that judgment shall not invalidate the total Contract; only clauses judged invalid shall not be enforced.

23. **Term.** Unless terminated earlier pursuant to provisions stated herein, this Contract shall commence on **May 15, 2019** and shall terminate on **July 31, 2020** or the completion of the services identified in paragraph 2 hereof, whichever should first occur. This contract may be renewed annually by the District for up to three additional years.

24. **Assignment.** This Agreement may not be assigned without written authorization by the other party.

25. **Licenses, Permits, and Warranty.** Provider warrants that it and its personnel have the requisite training, skill, and experience necessary to provide the services under this Contract and are appropriately accredited and licensed by all applicable agencies and governmental entities. Provider shall be responsible for maintaining any and all licenses, permits, or other requirements for doing business or providing services under this Contract.

26. **Entire Agreement and Modification.** This written Contract constitutes the entire agreement between Provider and the District. No alterations or variations of the terms of this Contract shall be effective unless reduced to writing and signed by both parties.

27. **Governing Law.** The terms of this Contract shall be governed by the laws of the State of Washington. In the event that a dispute arises under the terms and conditions of this Contract, the parties agree to mediate the dispute prior to taking any formal legal action. In the event that legal action is commenced to resolve a dispute arising out of this Contract, the prevailing party shall be entitled to its reasonable costs and attorneys’ fees.

Behavioral Health Resources  
Student Referral Process  

***This document is meant to provide guidance to Staff seeing a need to refer a student as a potential candidate for mental health services at Behavioral Health Resources (BHR).

1. Staff member has a concern regarding Aberdeen School District student; behavior, emotional, family issue, etc.
2. Staff member shares student's name, birthdate and concern with the student's building principal and counselor.
3. Building principal or counselor contacts parents of students under 13 for consent to proceed.
4. Building principal or counselor calls the Hoquiam BHR Office and shares the student's name and birthdate with the Office Support Specialist. During this call, the principal/counselor stays on the line to wait for the OS Specialist to tell them if the student qualifies for their services.

5. If the student does not qualify, due to insurance or are not Medicaid eligible, the principal/counselor will provide the family with BHR’s phone number to call so they can provide the family with resources they may access in the community.

6. Building principal or counselor fills out the referral tracking form with the name of the student, birthdate, concern, referring staff member and comments.

7. If the student does qualify, building principal or counselor calls family, if student is under 13 years old, and suggests an intake appointment. Intake appointment can be done in the BHR office in Hoquiam, 205 8th Street, or at school.
   a. Hoquiam BHR Intake Hours: 8:00 am - 4:00 pm (first come, first serve basis)

8. If the student/family needs to complete the intake appointment at school, the principal or counselor will need to call BHR, (360) 532-8629, to set up a time for a clinician to come to the school. It is easier for BHR to schedule several Intake appointments during one day at a school unless the student's issue is an emergency situation.

9. As soon as an intake appointment has been scheduled, the school provides the student and/or family the pre-paperwork packet to be filled out prior to the intake appointment.
   a. Under age 13 - Students need the under 13 paperwork and requires parent permission
   b. 13 and Over - Students need the 13 and Over paperwork and does NOT require parent permission
   c. These packets can be found in the Google BHR Drive.

10. During the intake process, client (student and/or family), will be asked if they would like to be seen in the BHR Hoquiam Office or at school. A consent to be seen at school will be obtained from student and/or family by BHR.
11. If client is going to be served at their school, BHR will fax a Release of Information (ROI) to the school prior to the client being served. The school building secretary will place all ROI's in a confidential folder to be kept in the office.
   a. ***Note: The first session will almost always take place at the Hoquiam office to create a treatment plan, and for comfort reasons.
12. Treatment plans need to be reviewed every six months with parents if client is under 13. If parent fails to show up for the review, their child has to be discharged from service and will no longer be able to be served. Summer can be problematic in locating families to come in for a review of the treatment plan.
13. Clinicians will need a private space to meet with their client if they are serving them at the school. It is best to have one consistent place to meet.
14. Student meeting with their clinician at school is marked Excused Student Activity, E-SA.

Students 13 and over -
**If a parent asks why a student has missed class and they were in counseling and do not wish to disclose this information to their parent or guardian, respond with, “student was excused from class for a student activity”. If this does not satisfy them, respond with, “this is something you will need to discuss with your child”.

If this scenario does occur, please call BHR and leave a message with the OS Specialist and counselor will follow up with student.

Also, have counselor or principal strategize with student so they are aware of the situation before they are dismissed for the day.

**Human Resources** will work with BHR through the MOU process to ensure all documents/staff requirements are met.

**Counselor Safety** - When a clinician or school becomes aware of a safety concern or potential safety concern, precaution steps will be put into place to keep all involved safe. Such as meeting in a more public, confidential space and/or check in and check outs with staff or other interventions.

***Additional Reminder - Please provide BHR with the following prior to the beginning of the year.
   ● Start and end dates of service for students in your building
   ● Assessment calendars
   ● Yearly calendar - modified days, snow days, conferences, etc.

PREAMBLE

The parties agree that it is in their mutual interest and purpose to promote systematic and effective employee-management cooperation; to execute a written agreement; to confer and negotiate in good faith at reasonable times with respect to grievance procedures and collective negotiations on personnel matters, including wages, hours and working conditions and to promote effective methods for prompt adjustment of differences.

This Agreement is made and entered into between Aberdeen School District Number 5 (hereinafter "District") and the Public School Employees of Aberdeen, an affiliate of Public School Employees of Washington / SEIU 1948 (hereinafter "Association").

In accordance with the provisions of the Public Employees Collective Bargaining Act and regulations promulgated pursuant thereto, and in consideration of the mutual covenants contained therein, the parties agree as follows:

ARTICLE I

RECOGNITION AND COVERAGE OF AGREEMENT

Section 1.1.
The District hereby recognizes the Association as the exclusive representative of all employees in the bargaining unit described in Section 1.4, and the Association recognizes the responsibility of representing the interests of all such employees.

Section 1.2.
Nothing contained herein shall be construed to include in the bargaining unit any person whose duties as deputy, administrative assistant, or secretary necessarily imply a confidential relationship to the Board of Directors or superintendent of the District pursuant to RCW 41.56.030 (2).

Section 1.3.
Upon a reasonable request, the District will provide the Association with amendments, changes and additions to job descriptions.

Section 1.4.
The bargaining unit to which this Agreement is applicable shall consist of all classified employees in the following general job classifications: Secretarial, Paraeducators including those in before-school and after-school programs, and Professional/Technical/Specialists. The following positions shall be exempt from the bargaining unit: Superintendent's Executive Assistant (1), Human Resources Administrative Assistant (1), Business Office Administrative Assistant (1), Payroll Specialist and any other future confidential assistants. After School program hours are supplemental and not included in the base hours.

Section 1.5.
Substitute employees who work thirty (30) days in the current or immediately preceding work year, and who continue to be available for employment shall be included in the bargaining unit. The only
provisions of this Agreement applicable to bargaining unit substitutes shall be Sections 6.3, 6.4, 13.5, and Schedule A (Bargaining Unit Substitute Rate). Article XIV, the Grievance Procedure, shall be applicable to the specific sections stated in the immediately preceding sentence. The provisions stated in this subsection shall be the sole provisions of the Agreement applicable to bargaining unit substitutes.

Section 1.6.
Temporary employees shall be defined as leave replacement employees and employees hired for a fixed period of time with a designated ending date no longer than ninety (90) instructional days. Temporary employees shall be eligible for benefits as allowed by law or as otherwise provided in this Agreement.

In the event a temporary position has a duration for a period of more than one (1) year or is reposted for a second continuous year, said position shall be posted as a regular position. Notwithstanding the immediate preceding sentence, the District has the right to post a temporary position as a regular position prior to the one (1) year limit.

New employees hired to fill a temporary position will be released from employment without further benefits under the contract on the posted termination date.

ARTICLE II

RIGHTS OF THE EMPLOYER

Section 2.1.
It is agreed that the customary and usual rights, powers, functions, and authority of management are vested in management officials of the District. Included in these rights in accordance with and subject to applicable laws, regulations, and the provisions of this Agreement, is the right to direct the work force, the right to hire, promote, retain, transfer, and assign employees in positions; the right to suspend, discharge, demote, or take disciplinary action against employees; and the right to release employees from duties because of lack of work or for other legitimate reasons. The District shall retain the right to maintain efficiency of the District operation by determining the methods, the means, and the personnel by which such operation is conducted.

Section 2.2.
The right to make reasonable rules and regulations shall be considered acknowledged functions of the District. In making rules and regulations relating to personnel policies, procedures and practices, and matters of working considerations, the District shall give consideration to the rights of the Association and the employees and to the obligations imposed by this Agreement.
ARTICLE III

RIGHTS OF THE EMPLOYEES

Section 3.1.
It is agreed that the employees in the unit defined herein will have and will be protected in the exercise of the right, freely and without fear of penalty or reprisal, to join and assist the Association in accordance with and subject to applicable laws, regulations and the provisions of this Agreement. The freedom of such employees to assist the Association will be recognized as extending to participation in the management of the Association. The District will take no action which will coerce, discriminate, or restrain membership in the employee organization.

Section 3.2.
Each employee will have the right to bring matters of personal concern to the attention of appropriate Association representatives and/or appropriate officials of the District.

Section 3.3.
Employees subject to this Agreement have the right to have Association representatives or other persons to a maximum of two (2) unless mutually agreed otherwise, present at discussions between themselves and supervisors or other representatives of the District as hereinafter provided in the Grievance Procedure of the Agreement. Included are investigatory interviews when an employee reasonably believes that discipline could result. The right to Association representation shall not reasonably delay such discussions.

Section 3.4.
Each employee reserves and retains the right to delegate any right or duty contained in this Agreement, exclusive of compensation for services rendered, to appropriate officials of the Association.

Section 3.5.
Neither the District, nor the Association, shall discriminate against any employee subject to this Agreement on the basis of race, color, national origin, religion, creed, age, sex, sexual orientation, gender expression or identity, honorably discharged veteran or military status, pregnancy, the presence of any sensory, mental or physical disability, the use of a trained guide dog or service animal, or any other basis prohibited by law.

Section 3.6. Personnel File.
There shall be only one (1) official personnel file for each employee. Said files shall be kept in the District personnel office. Supervisors, however, have the right to keep an employee working file at their job site. Each employee shall have the right upon request, and after making an appointment for that purpose, to review, in the presence of a District administrator or designee, the contents of his/her official personnel file. At the request of the employee, the District will provide copies of material contained in the file. A reasonable charge may be made for providing copies.

No performance related material shall be placed in the employee’s official personnel file unless said material has been shown to the employee and the employee has been given an opportunity to sign the material, indicating that the employee has received said material. However, the employee’s signature does not necessarily indicate that the employee agrees with the content of said material. An employee may attach comments to any material that is a part of the personnel file.
After two (2) years, derogatory material, except evaluations, ongoing disciplinary documentation, and material regarding allegations of criminal misconduct, may be removed from the file. Materials relating to sexual misconduct are prohibited by state law from being removed. Materials relating to an offense for which an employee could have been discharged shall only be removed by mutual agreement between the employee and the District. Either the employee or the District may initiate the action to have material removed.

**Section 3.7.**
The District shall maintain a separate supplemental confidential file for each classified employee of the District. Said files shall be kept in the District administration office and will contain such sensitive information as medical history, health related information, and criminal justice background clearance information. This supplemental file will insure confidentiality of sensitive information regarding the employee. Employees will full access to their own files.

**Section 3.8.**
The District agrees to provide safe and non-hazardous working conditions within the District facilities. The employees will use all equipment required by state and federal regulations and provided by the employer. The District agrees to comply with all appropriate and applicable health and safety regulations. Employees accept the responsibilities stated in WAC 296-24-025 General Safety and Health Standards and will participate in any mandatory District-provided training.

**Section 3.8.1.**
Any case of assault upon an employee shall promptly be reported to the employer or the employer’s designated representative and a written incident report shall be filled out.

**Section 3.8.2.**
Safety and compliance training will be required of all employees on dates and times designated by the District. Compensated time will be scheduled for employees to complete District required safety and compliance training.

**Section 3.8.3.**
Safe Schools will be paid as additional hours (the amount of time as designated by the Safe Schools program) which will be paid in the November pay warrant. Employees must finish Safe Schools by October 31st to receive payment.

**Section 3.9.**
Employees who administer student catheterization services shall be provided the training and right of refusal described in RCW 28A.210.280.

**Section 3.10.**
Employees shall receive compensation at their regular hourly rate for attendance at all required meetings.
ARTICLE IV

RIGHTS OF THE ASSOCIATION

Section 4.1.
The Association has the right and responsibility to represent the interests of all employees in the unit; to present its views to the District on matters of concern, either orally or in writing, in accordance with the Collective Bargaining Act of 1967 and subsequent amendments thereto.

Section 4.2.
The Association is entitled to have an observer at hearings conducted by any District official or body arising out of grievance of a member of the unit.

Section 4.3.
The District will, at the time of hire, provide each new employee with a copy of the Agreement. Agreements to be furnished by the Association.

Section 4.4.
The Association reserves and retains the right to delegate any right or duty contained herein to appropriate officials of the Public School Employees of Washington / SEIU 1948 State Organization.

Section 4.5.
Upon a reasonable request by the Association, the name, address, and salary of employees within the bargaining unit shall be provided annually on October 1. The name, address, and salary of new employees will be provided the Association.

Section 4.6.
Representatives of the Association, upon a request being approved by the superintendent of schools or the superintendent's designee, shall have access to the District premises during business hours, provided that the Association Representative will not in any way hamper or obstruct the employee(s) normal work.

The District shall provide designated bulletin board space in each school for the use of the Association. The bulletins posted by the Association are the responsibility of the officials of the Association. Each bulletin shall be signed by the Association official responsible for its posting. Unsigned notices or bulletins may not be posted. The responsibility for the prompt removal of the notices from the bulletin boards after they have served their purpose shall rest with the individual who posted such notice.

Section 4.8.
The Association shall have the privilege of using school facilities for meetings outside school hours, provided the facility is scheduled through the District process.

Section 4.9.

Overtime is defined as being one and one-half (1½) times the employee's regular hourly rate of pay.

Sick leave shall accumulate based on the employee’s regularly scheduled hours per day in the month it is recorded and be allocated on a quarter-hour basis. Sick leave benefits shall be paid on the basis of the hourly rate applicable to the employee's regularly scheduled hours per day.
In the event sick leave is exhausted, see Section 8.8. (Leaves of Absence).

Section 8.1.2.

They may supplement their Workers’ Compensation benefits with sick/vacation leave up to receiving a full day’s pay of sick leave/vacation in addition to time loss benefits. The hours are deducted from their accrued sick/vacation leave balance.

Section 8.1.4. Use of Sick Leave.
Each employee may use sick leave for personal illness, family illness, or emergencies as outlined elsewhere in this contract. Pursuant to WAC 296-128-660 (Verification for Illness Exceeding Three Days), the District may require a signed statement from a physician for an employee’s personal illness exceeding five (5) days.

In extenuating circumstances for travel out of state or executor duties, the employee may be granted up to two (2) additional days deducted from sick leave.
Under circumstances where the actual memorial or burial service is held at a later date, an employee may request bereavement leave be delayed.

**Section 8.6. Parenting Leave.**

**Section 8.6.1.**

Payment to be charged against sick leave.

**Section 8.8.2. Duration of Disability Leave.**
The leave of absence, unless otherwise specified by the District, shall begin after the employee's sick leave is used and will continue for the time requested to a maximum of one (1) calendar year. The board, at its discretion, may terminate a disability leave prior to the scheduled termination date in the event that the employee is able to perform his/her assigned duties.

**Section 8.8.3. Application for Reinstatement.**
For any leave in excess of ninety (90) calendar days, the employee shall be required to make written application to the Board of Directors, through the superintendent, for reinstatement. The application should be made as soon as the date of return is known, but in any event, no later than thirty (30) days prior to the expiration of such leave. Failure to comply with the timelines for written application for reinstatement provided herein shall result in discharge from employment. (In case of leave because of ill health or temporary disability, the application for reinstatement must be accompanied by a written statement from a licensed physician stating that the employee is able to perform his/her normally assigned duties.)

**Section 8.8.4. Assignment On Return From Leave.**

**ARTICLE IX**

**PROBATION, SENIORITY AND LAYOFF PROCEDURES**

**Section 9.1.**
The seniority of an employee shall be established as of the date on which the employee began continuous daily employment (hereinafter "hire date") unless such seniority shall be lost as provided in this Agreement. Refer to 9.8.1. for additional information.

**Section 9.1.1.**
In the event more than one (1) employee in the bargaining unit set forth in Article I Section 1.4. of this Contract is awarded the same seniority date, the most senior employee shall be determined as follows:

A. The employee with the earliest application date in their personnel file.

In the event two (2) employees have the same application date:

B. The employee with the most hours scheduled on the first day of employment.

In the event two (2) employees have the same scheduled hours on their first day:

C. The employee names will be placed in a hat and names will be drawn from the group and placed in the seniority list in the order drawn. A representative of the Association and a representative of the District will be present during the drawing.
Section 9.1.2.
The District shall publish annually, by December 1st of each instructional year, an official dated
seniority list, ranking all employees in the bargaining unit specified in Section 1.4. If additions
of staff are made subsequent to December 1st, the District will notify the Association
membership officer and the Association president.

Section 9.2.
Each new employee shall remain in a probationary status for a period of not more than one hundred
eighty (180) calendar days following the hire date and will be provided with a ninety-day (90)
evaluation. During the probationary period, the retention of an employee shall be solely and entirely
within the discretion of the District. Employees transferring to a new position will be subject to a
ninety-day (90) probationary period in the new position (when transferring from one classification to
another - Secretarial to Paraeducator or Professional Technical) and will be provided with a forty-five
(45) day evaluation. Employees who are not successful in a new position, will be placed in the next
available position in their previous classification.

Section 9.3.
Upon completion of the probationary period, the employee will be subject to all rights and duties
contained in the Agreement.

Section 9.4.
Seniority rights of an employee shall be lost for the following reasons:

A. Resignation;
B. Discharge;
C. Retirement; or
D. Failure to return to work in response to a call-back from layoff.

Section 9.5.
Seniority rights shall not be lost for the following reasons:

A. Time lost by reason of industrial accident, industrial illness, or jury duty;
B. Time spent on other authorized leaves; or
C. Time spent on layoff status as outlined in Article IX.

Section 9.6.
Seniority rights shall be effective within the bargaining unit; except as provided in Section 9.9. of this
Article.

Section 9.7.
The District shall offer regularly scheduled additional hours of employment to qualified available
employees within the building in the same general job classification on a seniority basis, which the
employee will retain the right to refuse, and has the right to schedule and assign current employees in
the same job classification in the building prior to posting remaining unfilled hours as an open
position. Additional summer hours will be assigned within the building by seniority. Additional days
may be added to an existing position without posting where the additional hours and days accumulate
to less than one hundred and eighty (180) hours.
Section 9.7.1.
The District shall publicize within the bargaining unit the availability of new or open positions for at least five (5) working days. An open position is defined as available currently funded unfilled hours in a building or department. No more than one (1) hour per day can be added to a current position during the school year, otherwise the position will be posted as a new position. The District reserves the right to publicize open positions through other channels. All interested applicants for an open position must submit an application in accordance with the application procedure listed on the job announcement prior to the posted closing date.

Summer school positions will be posted. Priority will be given within the building first by seniority subject to District program needs and qualifications, then District wide by seniority also subject to District program needs and qualifications.

Section 9.8.
The employee with the earliest hire date shall have preferential rights regarding transfers and assignment to new or open jobs or positions when ability, performance, and qualifications are substantially equal with junior employees and/or other applicants.

In addition to the interview process the following qualifications will be considered in selecting an applicant for transfers to an open position: experience, job knowledge, productivity, quality of work, technical knowledge, skills, dependability, flexibility, initiative/creativity, communication skills, human relation skills, student relations, attendance and punctuality, conduct and appearance, and safety.

If an employee is not selected, the District will, upon a reasonable request of the affected employee, schedule a conference with the employee to discuss the matter. The employee may have Association representation at said meeting.

Section 9.8.1.
When the District posts a temporary position with a definite termination date, existing employees transferred per Section 9.7. shall have return rights to their previous or similar job. A new employee hired to fill the temporary position, or the position of the transferred employee, will, on the posted termination date, be released from employment without further benefit under the contract.

If that job is continued beyond the initial termination date and is reposted for more than the initial term, all employees who meet the minimum qualifications will have the right to apply. All applicants will receive equal treatment in the screening process when the position is filled on a permanent basis.

In the event an employee in the previous paragraph holds a position for a period of more than one (1) year or the position is posted for a second continuous instructional year, said position shall be posted as a regular position. Should a temporary employee be hired for a regular position within the same classification and within six (6) months of the end of their occupancy of a temporary position, their hire date will be retroactive to the beginning of the temporary position, minus any break in service. Notwithstanding the immediately preceding sentence the District has the right to post such position as a regular position prior to the one (1) year limit.
This provision shall not apply to after school programs funding. The Union and the District will meet to determine if additional grants qualify for this exemption.

Section 9.9. Reduction In Force And Rehiring Procedure.

Section 9.9.1.
In the event of a reduction in force (as opposed to reduction in hours), employees shall be terminated based on seniority earned within the general job classification of Secretary/Clerical, Paraeducator, and Professional Technical Specialist (as set forth in Appendix A). An employee who has changed general job classifications may retreat back to the most recent general job classification where he/she has had at least one (1) year experience during the last five (5) years and retain seniority with that general job classification. Individuals who are employed in more than one (1) general job classification shall accrue seniority in each general job classification in which the individual is employed. If the District eliminates the job of a senior employee, said employee may bump into the job of a junior employee in their general job classification. The senior employee must have the appropriate qualifications for the job they bump into.

Section 9.9.1.1.
An employee that is bumped out of their position and has no option except to take a lower general job classification position at a lower pay rate, in accordance with Section 9.9.1., shall be paid at the hourly rate in the new classification that is closest to the hourly rate of their previous position.

Section 9.9.2.
In the event of a layoff, employees so affected are to be placed on a re-employment list maintained by the District. Such employees are to have priority in filling an opening in the general job classification (as provided in Section 9.9.1. of this Article) held immediately prior to layoff. Names shall remain on the re-employment list for a period of eighteen (18) calendar months.

Section 9.9.3.
Employees on layoff status shall file their addresses and telephone numbers, in writing, with the personnel department of the District and shall thereafter promptly advise the District, in writing, of any change of address or change in telephone number.

Section 9.9.4.
An employee shall forfeit all rights to re-employment with the District if the employee does not comply with the requirement to provide a current address and telephone number or if the employee does not accept the offer of re-employment with the District within five (5) days; provided, that such employee is offered a position substantially equal to that held prior to layoff. An employee on layoff status who rejects an offer of re-employment shall be terminated.

Section 9.10. Reduction in Hours.

Section 9.10.1.
Nothing contained in this Article shall be construed to prohibit the District from making a systematic reduction in the hours worked by employees at individual work sites as the need
arises because of program or budgetary reasons. Subject to work site scheduling conflicts or
program requirements as determined by the designated administrator (i.e., one-on-one
Paraeducator) no additional personnel shall be hired in positions covered by this Agreement at
the work site until all hours are reinstated to pre-reduction levels as determined by the
employee’s hours as of October 1st of the previous contract year. After-school program hours
are exempt from this provision). Every reasonable effort will be made to restore time to
reduced employees on a seniority basis.

Section 9.10.2.
In the event the District reduces an employee’s hours of employment by thirty-one (31) or more
minutes of regular daily assigned time, the impacted employee shall have the right to bump,
within five (5) working days, any junior employee in their general job classification with
substantially the same number of hours. For the purpose of this section the following will
apply.

A. “Substantially the same number of hours” equals one (1) hour more than the employee’s
base hours, the same amount of base hours or any hours less than the employee’s base
hours.

B. An employee’s hours on October 1st of the previous contract year, plus any time restored
to the employee pursuant to Section 9.10.1. of this Agreement shall constitute the
employee’s base assignment.

C. An employee who is awarded an open or new position pursuant to Section 9.7. of this
Agreement establishes new base hours.

D. An employee who sustains an involuntary reduction of time that is not restored may, if
additional time is cut and accumulates to thirty-one (31) or more minutes, exercise their
bumping rights as stated above.

E. An employee who chooses to exercise their bumping rights sets new base hours with no
further right to restoration.

F. An employee who chooses not to exercise their bumping rights maintains their right to
restoration of hours.

Employees may exercise their seniority “bumping” rights for assignments provided they,

A. have prior successful experience in the specific position; or

B. meet the current qualifications for the position; and

C. possess greater seniority than the employees who would otherwise be retained in the
position.
ARTICLE X

At any meeting held between an employee and a supervisor which could result in discipline, the employee will be provided union representation. The employee will be given up to one day to arrange union representation. The employee shall have the right to choose any PSE representative as long as they are reasonably available. The employee may choose any PSE union member as their representative.

The District shall have the right to use progressive discipline with employees. The steps in progressive discipline are as follows:

The District will give employees seven (7) calendar days notice of intent to discharge or layoff, except in extraordinary cases.

ARTICLE XI

PERFORMANCE EVALUATION

Section 11.1.
The District's annual evaluation of employees shall be subject to the following rights and procedures. The evaluation will be presented to the employee at a conference with the Administrator, Director, or Supervisor (not the teacher) no later than June 1st for all employees. The employee will sign the evaluation; in so doing the employee does not signify agreement with the substance of the evaluation. The employee's signature shall signify only that the employee has read the evaluation. Probationary employees and employees transferring to a different position shall be evaluated before the end of the probationary period. An employee who accepts a posted position shall be subject to the provisions of Section 9.2. At the time the employee signs the evaluation, the employee will be given a copy of the evaluation.
ARTICLE XII

INSURANCE AND RETIREMENT

Keep Article 12 open until the conclusion of the 2019 legislative session to reflect language regarding SEBB. At that point the parties will negotiate Article 12 consistent with SEBB implementation (expected to be January 1, 2020)

Section 12.1.
The District shall pay a District insurance contribution of the State funded amount, per month on an FTE basis [for District insurance contribution calculation purposes one (1) FTE shall be based and prorated on one-thousand four hundred forty (1,440) compensated hours per year], for each employee enrolled in mutually approved medical, dental and vision insurance plans. Premium benefits shall be paid for twelve (12) months.

Employees regularly scheduled to work less than seventeen and a half (17.5) hours per week are not eligible for insurance benefits.

The District shall first use the state allocation funds to pay the total premium for dental and vision plans for employees and dependents.

All employees will pay a minimum premium of one (1) percent of their total medical premium per month (this does not include vision and dental). The remaining state allocation funds will be used to provide for the cost of the approved medical plans for employees. Any excess premium cost will be paid by the employee through payroll deduction. Duplicate medical coverage will not be provided for employee or dependents.

The District will pay the entire medical retirement subsidy (carve-out) and the long-term disability (LTD) from funds other than the state insurance allocation.

In addition, the District shall pool bargaining unit unused District insurance allocation to supplement employee medical costs which exceed an individual employee’s District insurance contribution. The pool when established in October of each year will be fixed for the balance of the contract year. No adjustment will be made after the pool is established in October of each year for any increase or decrease in an employee’s hours of work. Additions to coverage (children, spouse, etc.) occurring after the annual open enrollment period closes will be paid totally by payroll deduction. New employees, hired after the annual open enrollment period closes, will receive the funds their hours generate as stated herein.

This Section of the contract (Article XII, Section 12.1) will be opened to negotiate any state legislative actions to reflect changes in health care allocations, pooling or benefits funded by the State and to negotiate the effects of the federal health care reform insurance exchanges being implemented on January 1, 2014.

Section 12.2.
The District shall provide tort liability coverage for all employees subject to this Agreement.
Section 12.3.
In determining whether an employee subject to this Agreement is eligible for participation in the Washington State Public Employee's Retirement System, the District shall report all hours worked, whether straight time or overtime.

ARTICLE XIII

ASSOCIATION MEMBERSHIP AND CHECKOFF

Section 13.1. Membership
The District and PSE/SEIU1948 understand that at the center of our labor management relationship is the shared interest in providing the best services to the public. All bargaining unit employees shall have the option of joining and maintaining membership in PSE/SEIU 1948 upon employment with the District in the bargaining unit.

Section 13.2. Membership Rescission
Union members requesting to rescind membership and membership rights in their exclusive Professional Advocacy Organization shall make such request in writing to PSE/SEIU 1948, following the Constitution and Bylaws, and any and all relevant conditions, policies and procedures. Providing such conditions have been met, PSE/SEIU1948 shall inform the District of the employee’s non-member status consistent with the notification section 14.3.

Section 13.3. New Hire Notification
The District shall notify PSE/SEIU1948 and the agreed bargaining unit representative of all new hires within ten (10) days of hire date, or as soon as practical, including name, home mailing address, job title, work email, work location and hire date.

Section 13.4. Dues and Checkoff
PSE/SEIU1948 shall provide the District with a full and complete list of bargaining unit employees who are current members of PSE/SEIU1948, and shall provide updates, additions, and/ or other changes in membership status to the District upon request. The District agrees to accept dues authorizations via voice authorization or by E-signature in accordance with “E-SIGN”.

PSE/SEIU1948 will provide a list of those members who have agreed to union membership via voice authorization. In addition, upon request, PSE/SEIU1948 will grant access to the District to the .wav files associated with the voice authorization. PSE/SEIU1948 will be the custodian of the records related to voice/E-signature authorizations. PSE agrees that, as the custodian of the records, it has the responsibility to ensure the accuracy and safe-keeping of those records. The District shall deduct PSE dues from the pay of any employee who authorizes such deductions in writing pursuant to RCW 41.56.110. The District shall transmit all such funds deducted to the Treasurer of Public School Employees of Washington on a monthly basis.

Section 13.5. Political Action Committee
The District shall, upon receipt of a written authorization form that conforms to legal requirements, deduct from the pay of such bargaining unit employee the amount of contribution the employee voluntarily chooses for deduction for political purposes and shall transmit the same to the Union on a check separate from the Union dues transmittal check. The employee may revoke the request at any time. At least annually, the PSE state office will notify the employee about the right to revoke the request.
Section 13.6. Agency Fee Restoration Contingency.
In the event there is a change in law or holding by a court of competent jurisdiction that allow for the withholding of dues or equivalent fee as a condition of employment, PSE/SEIU 1948 and the District agree to restore the union security and dues deduction provisions of the CBA in effect at the time of the Janus decision.

Section 13.7.
As soon as possible after hire but in no case more than twenty (20) days union representatives will be provided with access of half (½) hour to new employees who will be paid for that time. One (1) assigned union representative will be provided paid time to make this presentation. Such access will be exclusively for access by union representative to new employees and not part of some other activity.

ARTICLE XIV

GRIEVANCE PROCEDURE

Section 14.1.
Grievances or complaints arising between the District and its employees within the bargaining unit defined in Article I herein, with respect to matters dealing with the interpretation or application of the terms and conditions of this Agreement, shall be resolved in strict compliance with this Article. Time limits under unusual circumstances may be extended by mutual consent. Employees have the right to forego Association representation in this procedure.

Section 14.2. Grievance Steps.

Section 14.2.1. Step One.
Employees shall first discuss (face to face) the grievance with their immediate supervisor. If the employee so wishes, he/she may be accompanied by an Association representative at subsequent discussions. All grievances not brought to the immediate supervisor in accordance with the preceding sentence within fifteen (15) working days of the occurrence of the grievance shall be invalid and subject to no further processing.

Section 14.2.2. Step Two.
If the grievance is not resolved to the employee's satisfaction in accordance with the preceding subsection, the employee shall reduce to writing a statement of the grievance containing the following:

A. The facts on which the grievance is based (which shall include the name of the person deemed responsible for the alleged grievance; or in the event the person allegedly responsible for the grievance is in doubt, the name of the individual with which the preliminary conference was held);

B. A reference to the provisions in this Agreement which have been allegedly violated; and

C. The remedy sought.
The employee shall submit the written statement of grievance to the immediate supervisor for reconsideration within twenty (20) working days of the occurrence of the grievance and shall submit a copy to the official in the administration responsible for personnel. The parties will have ten (10) working days from submission of the written statement of grievance to resolve it by indicating on the statement of grievance the disposition. If an agreeable disposition is made, all parties to the grievance shall sign it.

**Section 14.2.3. Step Three.**
If no settlement has been reached within ten (10) working days referred to in the preceding subsection, the written statement of grievance shall be submitted within ten (10) working days to the District superintendent or the superintendent's designee. After such submission, the parties will have ten (10) working days to schedule a mutually agreeable time to hold a hearing to consider the grievance. The superintendent or the superintendent's designee will have five (5) working days after the meeting to respond in writing.

**Section 14.2.4. Step Four.**
If the grievance is not resolved at Step Three, the Association may refer the grievance to arbitration by requesting an arbitrator from the Washington State Public Employment Relations Commission. Referral to arbitration must be made within fifteen (15) working days after the decision in Step Three and will be accompanied with the following information:

A. The facts on which the grievance is based (which shall include the name of the person deemed responsible for the alleged grievance; or in the event the person allegedly responsible for the grievance is in doubt, the name of the individual with which the preliminary conference was held);

B. A reference to the provisions in this Agreement which have been allegedly violated; and

C. The remedy sought.

In connection with any arbitration proceeding held pursuant to this Agreement, it is understood as follows:

1. The arbitrator shall have no power to render a decision that will add to, subtract form, or alter, change, or modify the terms of this Agreement. The arbitrator's power shall be limited to interpretation or application of the terms of this Agreement, and all other matters shall be excluded from arbitration.

2. The decision of the arbitrator shall be final, conclusive and binding upon the District, the Association and the employee involved.

3. The cost of the arbitrator shall be borne equally by both parties. Each party shall bear the cost of presenting its own case.

4. The arbitrator's decision shall be made in writing and shall be issued to the parties as soon as possible after the case is submitted to the arbitrator.
Section 14.3.
The District shall not discriminate against any individual employee for taking action under this Article.

Section 16.2.2.1. Salary Placement
The Aberdeen School District and the Public School Employees of Washington / SEIU 1948 agree to make an exception to the “Any employee who changes job positions or classifications shall be placed on the First Step of the new pay level that provides the employee a wage increase.” This agreement shall apply to new PSE employees hired on or after August 1, 2017.

The District and Union agree to consider previous employment that is determined to be “like” and “similar in nature” based upon written and signed Verification of Employment statements provided by previous employers for salary placement purposes.

It is also agreed that verified and applicable previous employment will be counted as follows: Every five (5) consecutive years of “like” and “similar in nature” employment will count toward one (1) additional step increase on the appropriate salary schedule (e.g. 3 years’ experience = step 0, 5 years’ experience = step 1, etc.)

New employees will have up to ninety (90) calendar days from the date of hire to provide written and signed Verification of Employment statements to the District for salary placement purposes. Compensation will be retroactive to the first date of employment.

The parties recognize that funding for classified salaries may significantly change as a result of the legislative implementation of funding to meet the requirement of the McCleary decision and clarification of that funding in the 2019-2021 state budget. Should classified salary funding change away from an increase across the board the parties will reopen to negotiate the implementation of the increased funding in years two (2) and three (3) (2020-2021 and 2021-2022).
