GRAYS HARBOR COUNTY, WASHINGTON

EXPLANATORY STATEMENT

PROPOSITION NO. 1 – REPLACEMENT OF EXPIRING EDUCATIONAL PROGRAMS  
AND OPERATIONS LEVY

Passage of Proposition No. 1 would allow Aberdeen School District to replace an existing educational programs and operations levy that will expire at the end of the calendar year 2024. The taxes collected by this replacement levy will be used to pay expenses of educational programs and operations that are not fully funded by the State of Washington, including, music, athletics, extracurricular activities/clubs, academic and social/emotional support programs, and staffing not funded by the State. Further information is available at <https://www.asd5.org/>.

The proposed four-year replacement levy would authorize collection of taxes to provide up to \$5,950,000 for each year from 2025 through and including 2028. The tax levy rate required to produce these levy amounts is estimated to be \$2.50 in 2025 and 2026, \$2.42 in 2027 and \$2.32 in 2028 (levy rate per \$1,000 of assessed value). The exact tax levy rate and amount to be collected may be adjusted based upon the actual assessed value of the taxable property within the District and the limitations imposed by State law at the time of the levy. Exemptions from taxes may be available to certain homeowners. To determine if you qualify, call Grays Harbor County Assessor at (360)249-4121.

RESOLUTION NO. 2023-08

A RESOLUTION of the Board of Directors of Aberdeen School District No. 5, Grays Harbor County, Washington, providing for the submission to the voters of the District at a special election to be held on February 13, 2024, of a proposition authorizing an excess tax levy to be made annually for four years commencing in 2024 for collection in 2025 of \$5,950,000, in 2025 for collection in 2026 of \$5,950,000, in 2026 for collection in 2027 of \$5,950,000, and in 2027 for collection in 2028 of \$5,950,000, for the District's General Fund to pay expenses of educational programs and operations; designating the District's Executive Director of Business and Operations and special counsel to receive notice of the ballot title from the Auditor of Grays Harbor County, Washington; and providing for related matters.

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF ABERDEEN SCHOOL DISTRICT NO. 5, GRAYS HARBOR COUNTY, WASHINGTON, as follows:

Section 1. Findings and Determinations. The Board of Directors (the "Board") of Aberdeen School District No. 5, Grays Harbor County, Washington (the "District"), takes note of the following facts and makes the following findings and determinations:

(a) Calendar year 2024 is the last year of collection of the District's current four-year General Fund educational programs and operations tax levy, which was authorized pursuant to Resolution No. 2019-14, adopted by the Board on December 10, 2019, and approved by the voters at a special election held and conducted within the District on February 11, 2020.

(b) With the expiration of the District's current four-year General Fund educational programs and operations tax levy, it appears certain that the money in the District's General Fund for the school years 2024-2025, 2025-2026, 2026-2027, 2027-2028 and 2028-2029 will be insufficient to permit the District to meet the educational needs of its students and pay expenses of educational programs and operations not funded by the State of Washington (the "State"), all as more particularly set forth in Section 3 of this resolution, during such school years, and that it is necessary that a replacement excess tax levy of \$5,950,000 be made in 2024 for collection in 2025, \$5,950,000 be made in 2025 for collection in 2026, \$5,950,000 be made in 2026 for collection in 2027, and \$5,950,000 be made in 2027 for collection in 2028 for the District's General Fund to provide the money required to meet those expenses.

(c) The District's proposed four-year General Fund educational programs and operations tax levy authorized in this resolution provides for approximately the same educational programs and operations purposes as the District's expiring four-year General Fund educational programs and operations tax levy.

(d) Pursuant to Article VII, Section 2(a) of the Washington Constitution and Revised Code of Washington ("RCW") 84.52.053, the District may submit to its voters at a special election,

for their approval or rejection, a proposition authorizing the District to levy annual excess property taxes for support of (*i.e.*, to pay or finance) educational programs and operations expenses.

(e) The District has received or, prior to the time the ballot proposition authorized in this resolution is submitted to the voters, the District will have received approval of its educational programs and operations tax levy expenditure plan from the Office of the Superintendent of Public Instruction under RCW 28A.505.240 as required by RCW 84.52.053(4), a copy of which is or will be on file with the District.

Section 2. Calling of Election. The Auditor of Grays Harbor County, Washington, as *ex officio* Supervisor of Elections (the “Auditor”), is requested to call and conduct a special election in the manner provided by law to be held in the District on February 13, 2024, for the purpose of submitting to the District’s voters, for their approval or rejection, the proposition authorizing a replacement General Fund educational programs and operations tax levy on all of the taxable property within the District (the assessed value of such representing 100% of true and fair value unless specifically provided otherwise by law) to be made annually for four years commencing in 2024 for collection in 2025 of \$5,950,000, the estimated dollar rate of tax levy required to produce such an amount being \$2.50 per \$1,000 of assessed value, in 2025 for collection in 2026 of \$5,950,000, the estimated dollar rate of tax levy required to produce such an amount being \$2.50 per \$1,000 of assessed value, in 2026 for collection in 2027 of \$5,950,000, the estimated dollar rate of tax levy required to produce such an amount being \$2.42 per \$1,000 of assessed value, and in 2027 for collection in 2028 of \$5,950,000, the estimated dollar rate of tax levy required to produce such an amount being \$2.32 per \$1,000 of assessed value, all in excess of the maximum tax levy allowed by law for school districts without voter approval. The exact tax levy rate and amount to be collected may be adjusted based upon the actual assessed value of the taxable property within the District and the limitations imposed by law at the time of the tax levy.

Section 3. Use of Taxes. If the proposition authorized by this resolution is approved by the requisite number of voters, the District will be authorized to levy the excess property taxes up to the amounts provided in this resolution to meet the educational needs of its students and pay expenses of educational programs and operations not funded by the State during the school years 2024-2025, 2025-2026, 2026-2027, 2027-2028 and 2028-2029, all as may be authorized by law and determined necessary by the Board. Pending the receipt of those taxes, the District may issue short-term obligations pursuant to chapter 39.50 RCW or contract indebtedness pursuant to RCW 28A.530.080. Upon receipt, the District may use those taxes to repay such short-term obligations or indebtedness, all as may be authorized by law and determined necessary and advisable by the Board.
