

WEATHERWAX ALUMNI WALKWAY

Put your name in the History *Books* BRICKS

Our history has always been important to the Aberdeen community. At J.M. Weatherwax High School, part of our history is being recorded in bricks and everyone has a chance to be an author.

Bricks are engraved in the walkway each summer and sometimes over winter break, weather permitting.

Is your brick a gift? Just let us know and we can prepare a gift receipt for you to pick up.

Bricks make great gifts for birthdays, holidays and graduations. The cost is \$50. There's room for up to 3 lines – enough to record your name and year of graduation or event and be a part of the school's history for future generations to read and enjoy.

Just fill out the order form (use separate sheets for additional bricks), and send it along with your payment to the Aberdeen School District, 216 North G St., Aberdeen, WA, 98520.
